The Eloquence of Living Vimala Thakar,1989 Offers meditations on freedom relatedness spiritual life observaton awareness and silence *Facing Feelings in Faith Communities* William M. Kondrath,2013-08-05 Facing Feelings in Faith Communities is based on a simple premise We have emotions because we need them God created us as affectively competent beings William Kondrath argues to help us understand our world and to give appropriate signals to people around us about what we are experiencing When we express our feelings clearly other people can more easily respond in ways that are helpful to us thus enhancing our relationships and the work we might do together Kondrath also recognizes that unfortunately for many of us our emotional software was infected early on with viruses early familial and social conditioning that distorted the way we responded to natural stimuli Because we are underusing or misusing our emotional capacities we are missing out on the opportunity to express our full humanity Fortunately we can re program our emotional software Facing Feelings in Faith Communities helps us restore our emotional systems to their original state or at least invites us to imagine how we would live differently if our emotional expressions were more nearly congruent with the situations and events we encounter Kondrath invites us to explore six feelings fear anger sadness peace power and joy through poetry meditation on an evocative drawing as well as through his own analysis of each feeling Congregational Resources for Facing Feelings is a companion collection to this book For more information click here *A Woman's Way Through the Twelve Steps* Stephanie S. Covington,2024-01-23 Geared specifically to women and gender expansive people this guide to the Twelve Steps considers the psychological development of women as it relates to addiction and recovery as well as the social and cultural factors that affect women *Woman's Way through the Twelve Steps Bundle* Stephanie Convington,2024-11-12 This is a bundle of A Woman s Way through the Twelve Steps and A Woman s Way through the Twelve Steps Workbook
