Elvis In His Own Words Presley:

Elvis Presley in His Own Words Elvis Presley, 1981-09-01 **In Their Own Words** Bill DeMain, 2004-09-30 The interviews included in this fascinating collection of discussions with popular songwriters focus on the craft itself and as such they are of interest to both music fans and to budding songwriters What inspires songwriters Where do their songs come from What is their process What do they do when they get stuck In this book readers will hear from a vast range of well known successful songwriters many of them performers as well revealing the nuances of their skill how they write their songs from conception to finished work The book discusses both song history and style The songs discussed have defined eras and culture Full of trivia wisdom and fascinating revelations from such figures as Tori Amos Burt Bacharach David Bowie Sarah McLachlan Billy Joel and John Mayer In Their Own Words shines a light on what is often and inherently lonely craft It gives readers a glimpse into a mysterious process and offers rising songwriters a wealth of advice from those who have spent decades successfully sharing their work with the public *Who Murdered Elvis? - 5th Anniversary Edition* Stephen B. Ubaney, 2018-08-02 *Being Elvis* Ray Connolly, 2016-11-03 The perfect companion to Baz Luhrmann's forthcoming biopic *Elvis* a major motion picture starring Tom Hanks and Austin Butler What was it like to be Elvis Presley What did it feel like when impossible fame made him its prisoner As the world's first rock star there was no one to tell him what to expect no one with whom he could share the burden of being himself of being Elvis On the outside he was all charm sex appeal outrageously confident on stage and stunningly gifted in the recording studio To his fans he seemed to have it all He was Elvis With his voice and style influencing succeeding generations of musicians he should have been free to sing any song he liked to star in any film he was offered and to tour in any country he chose But he wasn't free The circumstances of his poor beginnings in the American South which as he blended gospel music with black rhythm and blues and white country songs helped him create rock and roll had left him with a lifelong vulnerability Made rich and famous beyond his wildest imaginings when he mortgaged his talent to the machinations of his manager Colonel Tom Parker there would be an inevitable price to pay Though he daydreamed of becoming a serious film actor instead he grew to despise his own movies and many of the songs he had to sing in them He could have rebelled But he didn't Why In the Seventies as the hits rolled in again and millions of fans saw him in a second career as he sang his way across America he talked of wanting to tour the world But he never did What was stopping him *BEING ELVIS* takes a clear-eyed look at the most loved entertainer ever and finds an unusual boy with a dazzling talent who grew up to change popular culture a man who sold a billion records and had more hits than any other singer but who became trapped by his own frailties in the loneliness of fame **Handbook of Psychobiography** William Todd Schultz, 2005-07-07 This exceptionally readable and down to earth handbook is destined to become the definitive guide to psychobiographical research the application of psychological theory and research to individual lives of historical importance It brings together for the first time the world's leading psychobiographers writing lucidly on

many of the major figures of our age from Osama Bin Laden to Elvis Presley The first section of the book addresses the subject of how to construct an effective psychobiography Editor William Todd Schultz introduces the field provides valuable definitions of good and bad psychobiography discusses an optimal structure for biographical data Dan McAdams explores the question of what psychobiographers might learn from current research in personality psychology Alan Elms delivers wise advice on the tricky subject of theory choice in psychobiography William Runyan asks why Van Gogh cut off his ear and in the process explains how one evaluates competing interpretations of the same event in a subject's life And Kate Isaacson describes a template for use in multiple case psychobiography Never before has method in psychobiography been so clearly and explicitly addressed Those just getting started in the field will find in Section One a detailed roadmap for success The remaining sections of the book are composed of richly engaging case studies of famous artists psychologists and politicians They address compelling questions such as What are the subjective origins of photographer Diane Arbus's obsession with freaks In what ways did the early loss of Sylvia Plath's father affect her poetry and presage her suicide Out of what painful life experience did James Barrie drive himself to invent Peter Pan Why did Elvis experience such difficulty singing the song Are You Lonesome Tonight What accounts for Bin Laden's radicalism Kim Jong Il's paranoia George W Bush's conflict with identity Why did Freud go so disastrously astray in his analysis of Leonardo What made psychologist Gordon Allport's meeting with Freud so pungently significant How did the loss of his father determine major elements of Nietzsche's philosophy These questions and many more get answered often in surprising and incisive fashion Additional chapters take up the lives of Harvard operationist S S Stevens Erik Erikson Edith Wharton Saddam Hussein Truman Capote Kathryn Harrison Jack Kerouac and others Within each case study tips are proffered along the way as to how psychobiography can be done more cogently more intelligently and more valuably

Elvis Presley's From Elvis in Memphis Eric Wolfson, 2020-11-12 A Classic Rock book of 2020 I had to leave town for a little while with these words Elvis Presley truly came home to rock and roll A little over a month earlier he had staged rock's first and greatest comeback in a television program forever known as The 68 Comeback Special With this show he resurrected himself at the age of 33 no less from the ashes of a career mired in bad movies and soundtracks So where to go from here Like a killer returning to the scene of the crime Elvis came back home to Memphis where it had all begun Eschewing the fancier studios of Nashville and Hollywood he set up shop at the ramshackle American Sound Studio run by a maverick named Chips Moman with an in house backing band now known as The Memphis Boys and made the music of his life The resulting work *From Elvis in Memphis* would be the finest studio album of his career an explosion of mature confidence and fiery inspiration It was the sound of Elvis establishing himself as a true rock and roll artist and proving his status as a legend

The Beatles and Vocal Expression Bláithín Duggan, 2023-12-01 The Beatles and Vocal Expression examines popular song through the topic of paralanguage a sub category of nonverbal communication that addresses characteristics of speech that modify meaning and convey emotion It

responds to the general consensus regarding the limitations of Western art music notation to analyse popular song assesses paralinguistic voice qualities giving rise to expressive tropes within and across songs and lastly addresses gaps in existing Beatles scholarship Taking The Beatles UK studio albums 1963 1970 paralinguistic voice qualities are examined in relation to concepts characteristics metaphors and functions of paralinguistic in vocal performance Tropes such as rising and falling intonation on words of woe have historical connections to performative and conversational techniques This interdisciplinary analysis is achieved through musicology sound studies applied linguistics and cultural history The new methodology locates paralinguistic voice qualities in recordings identifies features shows functions and draws aural threads within and across popular songs

Elvis In His Own Words Presley Introduction

In the digital age, access to information has become easier than ever before. The ability to download Elvis In His Own Words Presley has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Elvis In His Own Words Presley has opened up a world of possibilities. Downloading Elvis In His Own Words Presley provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Elvis In His Own Words Presley has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Elvis In His Own Words Presley. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Elvis In His Own Words Presley. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Elvis In His Own Words Presley, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and

validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Elvis In His Own Words Presley has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
