Embodied Prayer Celeste Schroeder, 1995 A liturgical dance artist teacher shows how anyone can use body movement as a spiritual exercise even if you can't dance aren't particularly graceful aren't in great physical condition Embodied Prayer is for anyone who wants to explore the biblical view that bodies are just as spiritual as minds Embodied Prayer covers the theology of embodied prayer examples of embodied prayer in Scripture tradition instructions for exercising various prayer forms such as supplication adoration praise thanksgiving lament As for the exercises they can take place in any comfortable setting First you learn to listen to your body God may be trying to tell you something like slow down or turn it over to me This is followed by instructions on how to use breathing speaking posture as attitudes for prayer how to let each act of prayer surge through the body Embodied Prayer also features adaptations from a rich tradition of ritual that incorporates celebrates such events as Jesus breaking of bread embracing the children washing the disciples feet touching the sick Here anyone who wants to go beyond purely mechanical prayer will find exercises improvisations to fully express the deepest desires of the soul

Move Cynthia Winton-Henry, Phil Porter, 2016-10-12 *With God in Every Breath* Whitney R. Simpson, 2025-05-13 What if the opportunity to connect with God was as close as your next breath Many of us yearn for a deeper connection with God but struggle to find the time or space to cultivate it in the midst of our busy lives The daily stress of meeting familial work and personal responsibilities leaves us longing to connect with God and find rest for our souls We crave intimacy with our Creator and the peace that only God's presence can give *With God in Every Breath* invites you on a journey towards a more embodied and present spiritual life In this practical book Whitney R Simpson offers carefully crafted guided prayers and meditations that provide an accessible way for us to quiet our hearts and a way to enter into God's presence that engages all of our senses Whether used alone or in a community each meditation is rooted in Gospel passages from The Message translation and designed to meet you in your

everyday life This helpful guide includes Guided Meditations Explore imaginative and sensory rich meditations that bring you closer to Jesus Reflection Questions Each Scripture based meditation is followed by a set of questions to help you engage the content more deeply Closing Prayers Each meditation closes with a guided prayer to encourage you to bring gratitude into each of your reflections *The Living Church*, 1995-07 **A Body of Praise** W. David O. Taylor, 2023-03-28 Do our physical bodies really matter in corporate worship Isn't our soul the most important part of us Aren't our bodies at best negligible to worship and at worst a hindrance The answer to this last question is categorically no as Christians have attested throughout history and across the global church The purpose of the body instead is to offer to God in worship what only it can offer and what must be offered to God By drawing on the wisdom of the Bible church history and theology and by taking advantage of the unique insights of the arts and sciences ethics and spiritual formation a respected theologian and pastor argues in this book that there is something for our physical bodies to do that decisively forms Christlikeness in us within the context of corporate worship What we do with our postures gestures and movements in worship matters How our senses of sight scent sound taste and touch are involved in worship matters How our spontaneous and prescriptive activities form us in worship matters All of it matters to faithful and fulsome worship for the sake of a body that is fully alive in the praise of God

The Aesthetic Dimensions of Educational Administration & Leadership Eugenie A. Samier, Richard Bates, 2006-11-22 The question of aesthetics as a theoretical framework for thinking about modern leadership issues in educational settings is an emergent area of inquiry that is receiving considerable attention There is a growing sense that the mechanistic approach to leadership which has been widely encouraged over the last ten years is sterile and that a more philosophical approach is now required This approach is covered here taking into account the importance of aesthetics on all aspects of the administrative and leadership world the ways ideas and ideals are created how their expression is conveyed the impact they have on interpersonal relationships and the organisational environment that carries and reinforces them and the moral boundaries or limits that can be established or exceeded While presenting a significant departure from conventional studies in the field the international contributors reflect a continuity of thought on administrative and leadership authority from the writings of Plato through to current theory Gathered Together Tilda Norberg, 2015-08-01 How can the church honor a person's profound experience of struggle change or celebration How can corporate worship link to the unique and real life needs of the people in the pews God wants us to be whole One of the purposes of the church is to encourage that However in seeking to provide something for everyone corporate worship traditions may have lost a personal touch that members need Perhaps your most dedicated parishioner for whatever reason looks outside the congregation for support or growth Positive change comes from these efforts but often the much needed spiritual element is left unaddressed In *Gathered Together* Creating Personal Liturgies for Healing and Transformation Norberg offers ideas for creating tailor made liturgies that connect daily life with the rituals of worship Individualized healing liturgies are not psychotherapy but a wonderful adjunct to an inner journey that

may include therapy Norberg writes Personal liturgies can bring a vital component to the life of the church They offer an exciting effective even necessary contribution to personal growth a natural addition to healing ministries Norberg details more than two dozen custom liturgies she has designed and led among the ad hoc church honoring such specific events as finding a vocation recovering from illness giving up false hopes and receiving first car keys These liturgies are truly faith in action intimate honest and deeply transformative as a congregation of close friends participate with the celebrant in a service uniquely designed around a personal need Her wise creative guidance will inspire pastors to widen the scope of the liturgy and encourage laypeople to seek an authentic bridge between the personal journey and church life **The Divine Embrace**
