**A Conservative History of the American Left** Daniel J. Flynn, 2008-04-29 From Communes to the Clintons Why does Hillary Clinton crusade for government provided health care for every American for the redistribution of wealth and for child rearing to become a collective obligation Why does Al Gore say that it s okay to over represent the dangers of global warming in order to sell Americans on his draconian solutions Why does Michael Moore call religion a device to manipulate gullible Americans Where did these radical ideas come from And how did they enter the mainstream discourse In this groundbreaking and compelling new book Daniel J Flynn uncovers the surprising origins of today s Left The first work of its kind A Conservative History of the American Left tells the story of this remarkably resilient extreme movement one that came to America s shores with the earliest settlers Flynn reveals a history that leftists themselves ignore whitewash or obscure Partly the Left s amnesia is convenient Who wouldn t want to forget an ugly history that includes eugenics racism violence and sheer quackery Partly it is self aggrandizing Bold schemes sound much more innovative when you refuse to acknowledge that they have been tried and have failed many times before And partly it is unavoidable The Left is so preoccupied with its triumphal future that it doesn t pause to learn from its past mistakes So it goes that would be revolutionaries have repeatedly failed to recognize the one troubling obstacle to their grandiose visions reality In unfolding this history Flynn presents a page turning narrative filled with colorful fascinating characters progressives and populists radicals and reformers socialists and SDSers and leftists of every other stripe There is the rags to riches Welsh industrialist who brought his utopian vision to America one in which private property religion and marriage represented the most monstrous evils and gained audiences with the likes of Thomas Jefferson John Adams and James Madison There is the wife swapping Bible thumper who nominated Jesus Christ for president There is the playboy adventurer whose worshipful accounts of Soviet Russia lured many American liberals to Communism There is the daughter of privilege turned violent antiwar activist who lost her life to a bomb she had intended to use against American soldiers There are fanatics and free spirits perverts and puritans entrepreneurs and altruists and many more beyond A Conservative History of the American Left is a gripping chronicle of the radical visionaries who have relentlessly pursued their lofty ambitions to remake society Ultimately Flynn shows the destructiveness that comes from this undying pursuit of dreams that are utterly unattainable *The Rise of the Arab American Left* Pamela E.

Pennock, 2017-02-07 In this first history of Arab American activism in the 1960s Pamela Pennock brings to the forefront one of the most overlooked minority groups in the history of American social movements Focusing on the ideas and strategies of key Arab American organizations and examining the emerging alliances between Arab American and other anti imperialist and antiracist movements Pennock sheds new light on the role of Arab Americans in the social change of the era She details how their attempts to mobilize communities in support of Middle Eastern political or humanitarian causes were often met with suspicion by many Americans including heavy surveillance by the Nixon administration Cognizant that they would be

unable to influence policy by traditional electoral means Arab Americans through slow coalition building over the course of decades of activism brought their central policy concerns and causes into the mainstream of activist consciousness With the support of new archival and interview evidence Pennock situates the civil rights struggle of Arab Americans within the story of other political and social change of the 1960s and 1970s By doing so she takes a crucial step forward in the study of American social movements of that era *US Trotskyism 1928-1965. **Democracy's Children** Edward K. Spann, 2003. They burned bras, drafted cards, and even the American flag. But what drove a group of young Americans to democratic revolution in the tumultuous years of the 1960s and what made them think they could win? In this book, Edward K. Spann looks at the motivations and values of the young rebels of the 1960s. He links their fight for equality for African Americans, women, and other marginalized groups to the democratic values of their World War II era parents. Spann provides a cultural portrait of who the rebels were, what they thought, what they did, and what became of them after they crossed that magical divide of age thirty. *Democracy's Children* will fascinate readers with its colorful depictions of the individuals, events, and drama of the 1960s.

**The Ideas That Made America: A Brief History** Jennifer Ratner-Rosenhagen, 2019-01-03. Long before the United States was a nation, it was a set of ideas projected onto the New World by European explorers with centuries of belief and thought in tow. From this foundation of expectation and experience, America and American thought grew in turn, enriched by the bounties of the Enlightenment, the philosophies of liberty and individuality, the tenets of religion, and the doctrines of republicanism and democracy. Crucial to this development were the thinkers who nurtured it, from Thomas Jefferson to Ralph Waldo Emerson, W. E. B. DuBois to Jane Addams and Betty Friedan to Richard Rorty. *The Ideas That Made America: A Brief History* traces how Americans have addressed the issues and events of their time and place, whether the Civil War, the Great Depression, or the culture wars of today. Spanning a variety of disciplines from religion, philosophy, and political thought to cultural criticism, social theory, and the arts, Jennifer Ratner-Rosenhagen shows how ideas have been major forces in American history, driving movements such as transcendentalism, Social Darwinism, conservatism, and postmodernism. In engaging and accessible prose, this introduction to American thought considers how notions about freedom and belonging, the market, and

morality and even truth have commanded generations of Americans and been the cause of fierce debate **Hero Tales from American History** Henry Cabot Lodge, 2016-07-11 WASHINGTON DANIEL BOONE AND THE FOUNDING OF KENTUCKY GEORGE ROGERS CLARK AND THE CONQUEST OF THE NORTHWEST THE BATTLE OF TRENTON BENNINGTON KING S MOUNTAIN THE STORMING OF STONY POINT GOUVERNEUR MORRIS GOUVERNEUR MORRIS PARIS AUGUST 10 1792 THE BURNING OF THE PHILADELPHIA THE CRUISE OF THE WASP THE GENERAL ARMSTRONG PRIVATEER THE BATTLE OF NEW ORLEANS JOHN QUINCY ADAMS AND THE RIGHT OF PETITION FRANCIS PARKMAN 1822 1893 REMEMBER THE ALAMO HAMPTON ROADS THE FLAG BEARER THE DEATH OF STONEWALL JACKSON THE CHARGE AT GETTYSBURG GENERAL GRANT AND THE VICKSBURG CAMPAIGN ROBERT GOULD SHAW CHARLES RUSSELL LOWELL SHERIDAN AT CEDAR CREEK LIEUTENANT CUSHING AND THE RAM ALBEMARLE FARRAGUT AT MOBILE BAY LINCOLN Prisoner of Wars in the American Civil War: A History of Internment and Exchange Pasquale De Marco, 2025-08-09 Prisoner of Wars in the American Civil War A History of Internment and Exchange is the definitive history of the treatment of prisoners of war during the American Civil War This comprehensive and well researched book examines the conditions in both Union and Confederate prison camps the role of the Red Cross and the impact of the Geneva Convention Based on extensive research Prisoner of Wars in the American Civil War A History of Internment and Exchange reveals the horrors that thousands of prisoners of war endured during the Civil War The book describes the overcrowded and unsanitary conditions in the camps the rampant disease and starvation and the brutality of the guards Prisoner of Wars in the American Civil War A History of Internment and Exchange also examines the efforts of the Red Cross to provide aid to prisoners of war The book describes the challenges that the Red Cross faced the successes that it achieved and the impact that it had on the treatment of prisoners of war In addition to the Red Cross Prisoner of Wars in the American Civil War A History of Internment and Exchange also examines the role of the Geneva Convention in the treatment of prisoners of war The book describes the history of the Geneva Convention its provisions and the impact that it had on the Civil War Prisoner of Wars in the American Civil War A History of Internment and Exchange is a valuable resource for anyone interested in the history of the Civil War the treatment of prisoners of war or the development of international law The book is written in a clear and concise style and it is fully illustrated with photographs and maps Prisoner of Wars in the American Civil War A History of Internment and Exchange is a must read for anyone who wants to understand the full story of the Civil War The book is a powerful reminder of the horrors of war and the importance of upholding the rule of law If you like this book write a review **The Works of Theodore Roosevelt: Hero tales from American history** Theodore Roosevelt, 1903 *SAT Subject Test U.S. History* Kaplan Test Prep, 2017-01-03 Kaplan s SAT Subject Test U S History is the most up to date guide on the market with the essential content practice and strategies students need for success on Test Day Kaplan s expert tips and focused review will help you ace the test and give your
