*Eli Lilly, a Life, 1885-1977* James H. Madison, 1989 The story of the Dudley Observatory is here told in detail from its beginning in 1851 through eight years of tragicomic conflict The author argues that differing perceptions of authority responsibility and accountability lie at the heart of the controversy and do much to explain relationships between nineteenth century American scientists and the larger community A biography of the drug magnate based on personal and business papers and interviews with people who knew him Chronicles his early life and education his business career and his later interest in archaeology and history Published for the Indiana Historical Society by IUP Annotation copyrighted by Book News Inc Portland OR

*Caring for Clergy* Thad S. Austin, Katie R. Comeau, 2022-07-26 Like Aaron and Hur who lifted the arms of Moses during battle Exodus 17 this book highlights the critical work of clergy care providers in America These individuals and organizations support clergy by providing counseling coaching spiritual direction funding hospitality education and benefits upon which clergy rely Their ministry strengthens congregations and has the capability to produce an exponential return for the kingdom of God Yet these providers are often disconnected Our groundbreaking national research reveals gaps in the training qualifications and formational experiences of clergy care providers We note differences in language that hinder effective communication as well as significant disparities in the literature that informs clergy care Addressing these disconnects has the potential to improve the lives of clergy and the congregations and communities clergy serve Whether you are a clergy care provider a clergyperson or a lay leader we invite you to respond Working together we envision a connected network of providers offering more effective support for clergy and improving the congregations and communities they serve
