Stulac, 2020-12-10 In this book Daniel J D Stulac brings a canonical agrarian approach to the Elijah narratives and demonstrates the rhetorical and theological contribution of these texts to the Book of Kings This unique perspective yields insights into Elijah s iconographical character 1 Kings 17 19 which is contrasted sharply against the Omride dynasty 1 Kings 20 2 Kings 1 It also serves as a template for Elisha s activities in chapters to follow 2 Kings 2 8 Under circumstances that foreshadow the removal of both monarchy and temple the book s middle third 1 Kings 17 2 Kings 8 proclaims Yhwh s enduring care for Israel s land and people through various portraits of resurrection even in a world where Israel s sacred institutions have been stripped away Elijah emerges as the archetypal ancestor of a royal prophetic remnant with which the reader is encouraged to identify      **Catalog of Copyright Entries. Millgram, 2014-09-17 An analysis of the intertwining tales of Elijah and Ahab mercurial prophet and Machiavellian king this book is an accessible treatment of one of the most dramatic and well known episodes in the Bible In contrast to the popular image of Elijah as a courageous wonder worker who calls down fire from heaven and ascends to heaven in a fiery chariot this book contends that the prophet was a deeply conflicted man torn between a burning idealism and a deep disillusionment over his failure to achieve his ideals Despite his profound sense of failure Elijah s struggle against the paganizing regime of King Ahab and his queen Jezebel managed to save monotheism from eclipse and in so doing alter the course of human history This work further proposes that the tale presented by the Bible is more than an account of an ancient battle between two historic figures it is a paradigm of the struggle between the ideals of human dignity and justice and the alternative of expediency in the pursuit of power a conflict that pervades human life to this very day      Library of Congress Catalogs Library of Congress, 1976      **Library of Congress Catalog** Library of
