Hole By 1901 married and living in Sutton Surrey with his wife and young family he had retired from the building trade and entered full time upon the task of building up the church of God Later in life he moved to Weston super Mare in Somerset his wife Rachel's home county His personal ministry was delivered in the United Kingdom but his written ministry continues to be read worldwide Along with H.P. Barker A.J. Pollock J.T. Mawson and F.B. Hole he frequently contributed articles to Scripture Truth magazine which often provided the basis for books later published by the Central Bible Truth Depot Hamilton Smith's written expositions of the Scriptures are brief clear and very much to the point This volume is one of a series of Old Testament character studies for which he is probably best known It traces the major events of the life of Elijah with all the highs and lows in his work as a prophet He knew only too well the inadequacies of his own humanity But Elijah knew the living God was conscious of His presence and was aware that prayer brought him into contact with the greatest power in the universe By experience he comes to understand that the God of creation power and judgment is supremely the God of grace At each step the author presents clear practical lessons for Christians today as they too seek to present God's word with authority to an indifferent or

antagonistic world Elijah and the Secret of His Power F B Meyer, 2019-06-17 F B Meyer's examination of the Prophet Elijah is counted among the most spiritually intensive and detailed ever to be written. The author first places the subject in its historical context. Elijah lived at a time when Israel was divided. Formerly a cohesive society under the able guidance of King Solomon, the Kingdom of Israel and Judah were at odds. The Book of Kings recounts Elijah's ascendance wherein he became one of the greatest holy men ever seen. Meyer examines the life of the great prophet with a close examination of the scriptures. The various interactions between Elijah and Ahab, for example, are closely narrated with their rivalry and conflict over the worship of other gods analyzed. Meyer discusses the emotional states of Elijah and others, how life's trials presented challenge after challenge with the gradual transforming effect of making Elijah one of God's greatest prophets. F B Meyer's books have lost none of their vital essence, their contents being for all time. **A History of Lake County, Illinois** John J. Halsey, C. Chamberlain Tracey, 1912 *God's Expectations of Us Are Great! Facing the Fears along the Way* Terry Marr, 2017-07-20 As children of God we have great expectations of our Father God, but are you aware of his expectations of you? You are just as great. We have not been sent to the planet as spectators but as participants. Father God has initiated an eternal plan for which we have a leading role in accomplishing. The incident in the Garden of Eden was not to be viewed as the fall of man but as the becoming of the sons of God. Our job is to help restore the righteous rule of our Father God back to the earth. We accomplish this by walking in the dominion stolen from mankind by the deceiver known as Satan. Satan may have started this fight, but we, the children of God, under the direction of our Lord Jesus Christ, are here to finish it with a victorious end. Everything that was stolen from the children of God is now ready to be restored as we take our place in this mighty army of God and follow the lead of our majestic Savior Jesus Christ. In this book we will learn how to utilize every gift and tool given us by the Holy Spirit of God and how to walk in the power of the Word. We cannot be fearful but willing to face every obstacle set before us as we look to the Father God whose expectations of us are great. **American Messenger**, 1910 **Faith, Hope and Love** Robert W. Christensen, 2012-02 This book by Dr. Christensen is a Trilogy of his earlier books on those same three topics. FAITH: I suspect we all go through life wondering what is faith. From the time we are just infants we have to believe for and have faith for all sorts of things. Will mother remember to feed me? Will I get picked up out of my crib today? To all sorts of things from that moment on. As we get instruction about God and our relationship with God, we then get to be a bit like the original disciples who made the statement to Jesus about increasing our faith. In Romans 10:8 we see the statement: "The word is nigh thee even in thy mouth and in thy heart that is the word of faith that we preach." But what is faith? In talking about it in the spiritual or religious realm we are talking about having faith in God. If we say we have faith in God, are we really saying we can lay our lives down for God? To have complete faith in what he says he will do. Total dependence on God just as when we were babies we had total dependence on our mothers or fathers. So now if we have confessed Jesus as our Lord and Savior, are we willing to be obedient to His every command? Is that where faith begins? HOPE: Our hope is in fervently

and completely trusting our Lord In the 3rd Psalm King David is fleeing from Absalom his son who is out to slay him Now that is one serious circumstance which I am sure all of us can agree would cause discouragement and despair David makes a number of statements in that Psalm which can give us hope when it seems there is no hope LOVE The Bible has a great deal to say about Love and if we were to review the message and ministry of Jesus Christ we would find the central theme has to do with love It basically has to do with loving God and then loving your neighbor as yourself Sounds easy doesn t But it will likely take your whole life in your attempt to fulfill that command of the Lord
