Elizabeth Cady Stanton Susan B Anthony Correspondence Writings Speeches Studies In The Life Of Women:

The Elizabeth Cady Stanton-Susan B. Anthony Reader Elizabeth Cady Stanton,1992 Essays and primary documents that trace the relationship and political development of Elizabeth Cady Stanton and Susan B Anthony *Elizabeth Cady Stanton, Susan B. Anthony, Correspondence, Writings, Speeches* Elizabeth Cady Stanton,1981 A survey of the works of Elizabeth Cady Stanton and Susan B Anthony beginning with the organization of the Seneca Falls convention and covering American feminism and woman suffrage **Elizabeth Cady Stanton, Feminist as Thinker** Ellen Carol DuBois,Richard Cándida Smith,2007-04-01 More than one hundred years after her death Elizabeth Cady Stanton still stands along with her close friend Susan B Anthony as the major icon of the struggle for women s suffrage In spite of this celebrity Stanton s intellectual contributions have been largely overshadowed by the focus on her political activities and she is yet to be recognized as one of the major thinkers of the nineteenth century Here at long last is a single volume exploring and presenting Stanton s thoughtful original lifelong inquiries into the nature origins range and solutions of women s subordination Elizabeth Cady Stanton Feminist as Thinker reintroduces contextualizes and critiques Stanton s numerous contributions to modern thought It juxtaposes a selection of Stanton s own writings many of them previously unavailable with eight original essays by prominent historians and social theorists interrogating Stanton s views on such pressing social issues as religion marriage race the self and community and her place among leading nineteenth century feminist thinkers Taken together these essays and documents reveal the different facets enduring insights and fascinating contradictions of the work of one of the great thinkers of the feminist tradition Contributors Barbara Caine Richard Cándida Smith Ellen Carol DuBois Ann D Gordon Vivian Gornick Kathi Kern Michele Mitchell and Christine Stansell **The Elizabeth Cady Stanton-Susan B. Anthony Reader, 3d ed.** Elizabeth Cady Stanton,Susan B. Anthony,2022-10-10 In its third edition this accessible and engaging collection of the writings of Elizabeth Cady Stanton and Susan B Anthony provides a critical overview of the lives ideas and activism of two founders of the American feminist tradition Introductory material has been extensively revised to reflect recent scholarship and provides historical context to selected letters speeches articles reminiscences arguments before courts state legislatures and Congress Of particular interest is new material concerning Cady Stanton s relationship with Frederick Douglass and Anthony s with Ida B Wells **U.S. History As Women's History** Linda K. Kerber,Alice Kessler-Harris,Kathryn Kish Sklar,2000-11-09 This outstanding collection of fifteen original essays represents innovative work by some of the most influential scholars in the field of women s history Covering a broad sweep of history from colonial to contemporary times and ranging over the fields of legal social political and cultural history this book according to its editors intrudes into regions of the American historical narrative from which women have been excluded or in which gender relations were not thought to play a part The book is dedicated to pioneering women s historian Gerda Lerner whose work inspired so many of the contributors and it includes a bibliography of her works The contributors include Linda K Kerber on

women and the obligations of citizenship Kathryn Kish Sklar on two political cultures in the Progressive Era Linda Gordon on women maternalism and welfare in the twentieth century Alice Kessler Harris on the Social Security Amendments of 1939 Nancy F Cott on marriage and the public order in the late nineteenth century Nell Irvin Painter on soul murder as a legacy of slavery Judith Walzer Leavitt on Typhoid Mary and early twentieth century public health Estelle B Freedman on women's institutions and the career of Miriam Van Waters William H Chafe on how the personal translates into the political in the careers of Eleanor Roosevelt and Allard Lowenstein Jane Sherron De Hart on women politics and power in the contemporary United States Barbara Sicherman on reading Little Women Joyce Antler on the Emma Lazarus Federation's efforts to promulgate women's history Amy Swerdlow on Left feminist peace politics in the cold war Ruth Rosen on the origins of contemporary American feminism among daughters of the fifties Darlene Clark Hine on the making of Black Women in America An Historical Encyclopedia *Women's Rights National Historical Park, New York* Sharon A. Brown, 1987 **The**

Oxford Handbook of American Women's and Gender History Ellen Hartigan-O'Connor, Lisa G. Materson, 2018-09-04 From the first European encounters with Native American women to today's crisis of sexual assault The Oxford Handbook of American Women's and Gender History boldly interprets the diverse history of women and how ideas about gender shaped their access to political and cultural power in North America Over twenty nine chapters this handbook illustrates how women's and gender history can shape how we view the past looking at how gender influenced people's lives as they participated in migration colonialism trade warfare artistic production and community building Theoretically cutting edge each chapter is alive with colorful historical characters from young Chicanas transforming urban culture to free women of color forging abolitionist doctrines Asian migrant women defending the legitimacy of their marriages and transwomen fleeing incarceration Together their lives constitute the history of a continent Leading scholars across multiple generations demonstrate the power of innovative research to excavate a history hidden in plain sight Scrutinizing silences in the historical record from the inattention to enslaved women's opinions to the suppression of Indian women's involvement in border diplomacy the authors challenge the nature of historical evidence and remap what counts in our interpretation of the past Together and separately these essays offer readers a deep understanding of the variety and centrality of women's lives to all dimensions of the American past even as they show that the boundaries of women American and history have shifted across the centuries *The Woman Question: Social issues* Elizabeth K. Helsinger, Robin Ann Sheets, William R. Veeder, 1983

Historic Structure Report Sharon A. Brown, 1987 *Encyclopedia of Life Writing* Margaretta Jolly, 2013-12-04 First published in 2001 Routledge is an imprint of Taylor Francis an informa company **Facing America** Shirley Samuels, 2004 Exploring how the face and body of the America were imagined both physically and metaphorically during the Civil War this book shows how visual iconography affected changes in postbellum gendered and racialized identifications of the nation

Picturing a Nation David M. Lubin, Charlotte C Weber Professor of Art David M Lubin, Professor David M

Lubin,1994-01-01 Art historian David Lubin examines the work of six nineteenth century American artists to show how their paintings both embraced and resisted dominant social values Lubin argues that artists such as George Bingham and Lily Martin Spencer were aware of the underlying social conflicts of their time and that their work reflected the nation s ambivalence toward domesticity its conflicting ideas about child rearing its racial disharmony and many other issues central to the formation of modern America From publisher description **Poverty, Battered Women, and Work in U.S. Public Policy** Lisa D. Brush,2011-07-28 Drawing on longitudinal interviews government records and personal narratives feminist sociologist Lisa Brush examines the intersection of work welfare and battering Brush contrasts conventional wisdom with illuminating analyses of social change and social structures highlighting how race and class shape women s experiences with poverty and abuse and how domestic violence moves out of the home and follows women to work Brush s unique interview data on work related control abuse and sabotage together with administrative data on earnings welfare and restraining orders offer new empirical insights on the impact of work requirements and other post welfare rescission changes on the lives of low income and battered mothers Personal narratives provide first hand accounts of women s perceptions of the broad forces that shape the circumstances of their everyday lives their health their prospects their ambitions and their diagnoses of their world Deftly integrating the political and the personal the administrative and the narrative the economic and the emotional Brush underscores the vital need to reexamine ideas policies and practices meant to keep women safe and economically productive that instead trap women in poverty and abuse With her fresh approach to problems people often see as intractable Brush offers a new way of calculating the costs of battering for the policy makers and practitioners concerned with the well being of poor battered women and their families and communities *Women's Rights in the U.S.A.* Dorothy E. McBride,1997 Women s Rights in the USA is a rigorous examination of the intersection of gender roles and public policy and a survey of the feminist debates that complicate and frame U S law statutes and court decision The third edition includes updated and expanded information pertaining to recent debates legislation and court decisions on affirmative action equal protection welfare reform and sexuality especially lesbian politics and violence against women BOOK JACKET Law, Gender, and Injustice Joan Hoff,1994-04-01 A groundbreaking analysis of how gendered oppression is written into the American legal system Law Gender and Injustice A Legal History of U S Woman is a landmark study of how women remain second class citizens under the current legal system In this widely acclaimed book Joan Hoff questions whether the continued pursuit of equality based on a one size fits all vision of traditional individual rights is really what will most improve conditions for women in America Concluding that equality based on liberal male ideology is no longer an adequate framework for improving women s legal status Hoff s highly original and incisive volume calls for a demystification of legal doctrine and a reinterpretation of legal texts including the Constitution to create a feminist jurisprudence *"Right Makes Might"* Wolfgang Mieder,2019-04-04 A powerful and timely addition to the literature of rhetoric and folklore Choice In 1860

Abraham Lincoln employed the proverb Right makes might opposite of the more aggressive Might makes right in his famed Cooper Union address While Lincoln did not originate the proverb his use of it in this critical speech indicates that the fourteenth century phrase had taken on new ethical and democratic connotations in the nineteenth century In this collection famed scholar of proverbs Wolfgang Mieder explores the multifaceted use and function of proverbs through the history of the United States from their early beginnings up through their use by such modern day politicians as Barack Obama Hillary Rodham Clinton and Bernie Sanders Building on previous publications and unpublished research Mieder explores sociopolitical aspects of the American worldview as expressed through the use of proverbs in politics women s rights and the civil rights movement and by looking at the use of proverbial phrases Mieder demonstrates how one traditional phrase can take on numerous expressive roles over time and how they continue to play a key role in our contemporary moment

The Antipolygamy Controversy in U.S. Women's Movements, 1880-1925 Joan Smyth Iversen, 2014-01-21 This first study of the antipolygamy movement in the United States traces its growth from a Utah based women s group into a national crusade where it sparked a debate in suffrage politics The author analyzes this debate highlighting the differing views of marriage family and the role of women held by suffrage leaders Mormon women and antipolygamy reformers Antipolygamy rhetoric masked a more significant debate within women s groups about the structure and meaning of the American family Coming in the post Civil War period the antipolygamy agenda reflects an attempt to re construct the Republican family diminish patriarchal authority and improve the status of women The reaction of the antipolygamy women was also more than a struggle for power Their adherence to the Republican family was a discourse involving not just rhetoric but a whole range of cultural forms and institutions which provided women with status moral authority and an identity Often the fear of polygamy was mingled with anxiety over the increase in divorce and the emergence of the new woman Ironically by the end of the long congressional battle over Utah and the Mormons both the rhetoric of polygamy and antipolygamy were used against the women s movement

The Manuscript Inventories and the Catalogs of Manuscripts, Books, and Periodicals: Book catalog, A-Chal Arthur and Elizabeth Schlesinger Library on the History of Women in America, 1984

A Room at a Time Jo Freeman, 2002 In this important volume Jo Freeman brings us the very full rich story of how American women entered into political life and party politics well before suffrage and in many cases completely separate from it She shows how women carefully and methodically learned about the issues the candidates and the institutions put themselves to work and made themselves indispensable not only to the men running for office but to the political system overall

[Selected Letters of Lucretia Coffin Mott](#) Lucretia Mott, 2002 This landmark volume makes widely available for the first time the correspondence of the Quaker activist Lucretia Coffin Mott Scrupulously reproduced and annotated these letters illustrate the length and breadth of her public life as a leading reformer while providing an intimate glimpse of her family life Dedicated to reform of almost every kind temperance peace equal rights woman suffrage nonresistance and the abolition of slavery Mott viewed

woman s rights as only one element of a broad based reform agenda for American society A founder and leader of many antislavery organizations including the racially integrated American Antislavery Society and the Philadelphia Female Anti slavery Society she housed fugitive slaves maintained lifelong friendships with such African American colleagues as Harriet Tubman and Sojourner Truth and agitated to bring her fellow Quakers into consensus on taking a stand against slavery Mott was a seasoned activist by 1848 when she helped to organize the Seneca Falls Woman s Rights Convention whose resolutions called for equal treatment of women in all arenas Mott tried to pursue a neutral course when her friends Elizabeth Cady Stanton and Susan B Anthony disagreed with other woman s rights leaders over the Fifteenth Amendment which guaranteed equal rights for freedmen but not for any women Her private views on this breach within the woman s movement emerge for the first time in these letters An active public life however is only half the story of this dedicated and energetic woman Mott and her husband of fifty six years James raised five children to adulthood and her letters to other reformers and fellow Quakers are interspersed with the informal hurried scraps she wrote to and about her cherished family An invaluable resource on an extraordinary woman these selected letters reveal the incisive mind clear sense of mission and level headed personality that made Lucretia Coffin Mott a natural leader and a major force in nineteenth century American life
