

# Elizabeth Cady Stanton 1815-1902

**Tim Delaney**

## **Elizabeth Cady Stanton 1815-1902:**

**Elizabeth Cady Stanton (1815-1902)** Martha E. Kendall, 1988 A biography of the nineteenth century pioneer in the struggle for women's rights      **The Elizabeth Cady Stanton-Susan B. Anthony Reader, 3d ed.** Elizabeth Cady Stanton, Susan B. Anthony, 2022-09-28 In its third edition this accessible and engaging collection of the writings of Elizabeth Cady Stanton and Susan B. Anthony provides a critical overview of the lives, ideas and activism of two founders of the American feminist tradition. Introductory material has been extensively revised to reflect recent scholarship and provides historical context to selected letters, speeches, articles, reminiscences, arguments before courts, state legislatures and Congress. Of particular interest is new material concerning Cady Stanton's relationship with Frederick Douglass and Anthony's with Ida B. Wells      Elizabeth Cady Stanton Dawn Adiletta, 2004-08-15 Presents the life and accomplishments of the social reformer whose early work for abolition led to a prominent role in the women's suffrage movement      **The Selected Papers of Elizabeth Cady Stanton and Susan B. Anthony** Ann D. Gordon, 2013-01-10 The hush of the title comes suddenly when first Elizabeth Cady Stanton dies on October 26, 1902 and three years later Susan B. Anthony dies on March 13, 1906. It is sudden because Stanton, despite near blindness and immobility, wrote so intently right to the end that editors had supplies of her articles on hand to publish several months after her death. It is sudden because Anthony, at the age of eighty-five, set off for one more transcontinental trip, telling a friend on the Pacific Coast it will be just as well if I come to the end on the cars or anywhere as to be at home. Volume VI of this extraordinary series of selected papers is inescapably about endings, death and silence. But death happens here to women still in the fight. An Awful Hush is about reformers trained in the school of anti-slavery, trying to practice their craft in the age of Jim Crow and a new American Empire. It recounts new challenges to an aristocracy of sex, whether among the bishops of the Episcopal church, the voters of California or the trustees of the University of Rochester. And it sends last messages about woman suffrage. As Stanton wrote to Theodore Roosevelt on the day before she died: Surely there is no greater monopoly than that of all men in denying to all women a voice in the laws they are compelled to obey. With the publication of Volume VI, this series is now complete      The Selected Papers of Elizabeth Cady Stanton and Susan B. Anthony: When clowns make laws for queens, 1880 to 1887 Elizabeth Cady Stanton, 1997 At the opening of this volume, suffragists hoped to speed passage of a sixteenth amendment to the Constitution through the creation of Select Committees on Woman Suffrage in Congress. Congress did not vote on the amendment until January 1887. Then, in a matter of a week, suffragists were dealt two major blows: the Senate defeated the amendment and the Senate and House reached agreement on the Edmunds-Tucker Act, disenfranchising all women in the Territory of Utah      Readings in Christian Ethics J. Philip Wogaman, Douglas M. Strong, 1996-01-01 Contains 70 readings from the Fathers to Bernard Haring from Catholic and Protestant traditions      *Women's Words* Mary Biggs, 1996 A L A Booklist      **Revelations of Self** Lois J. Fowler, David H. Fowler, 1990-07-05 These autobiographies illustrate the emergence of American women from

their traditional position of dependence and legal and social inequality Here are five women of the nineteenth and early twentieth centuries Anna Cora Mowatt a well known playwright and popular actress Elizabeth Cady Stanton a prominent leader of the first women s rights movement Harriet Jacobs an escaped slave Mary Antin a Russian Jew who emigrated with her family to the United States in the late nineteenth century and Margaret Sanger founder of the birth control movement in the United States An introduction and notes accompany each autobiography

**Harriot Stanton Blatch and the Winning of Woman Suffrage** Ellen Carol DuBois,1999-10-01 Blatch s dedication to woman suffrage marked by a concern for social justice and human liberty closely paralleled that of her mother After her mother s death in 1902 Blatch returned to the United States There she encouraged women from all classes to participate in the suffrage movement advocated a lively activist style and brought a genuine political sensibility to the movement

Victoria Woodhull's Sexual Revolution Amanda Frisken,2012-03-06 Victoria Woodhull the first woman to run for president forced her fellow Americans to come to terms with the full meaning of equality after the Civil War A sometime collaborator with Susan B Anthony and Elizabeth Cady Stanton yet never fully accepted into mainstream suffragist circles Woodhull was a flamboyant social reformer who promoted freedom especially freedom from societal constraints over intimate relationships This much we know from the several popular biographies of the nineteenth century activist But what we do not know as Amanda Frisken reveals is how Woodhull manipulated the emerging popular media and fluid political culture of the Reconstruction period in order to accomplish her political goals As an editor and public speaker Woodhull demanded that women and men be held to the same standards in public life Her political theatrics brought the topic of women s sexuality into the public arena shocking critics galvanizing supporters and finally locking opposing camps into bitter conflict over sexuality and women s rights in marriage A woman who surrendered her own privacy whose life was grist for the mills of a sensation mongering press she made the exposure of others secrets a powerful tool of social change Woodhull s political ambitions became inseparable from her sexual nonconformity yet her skill in using contemporary media kept her revolutionary ideas continually before her peers In this way Woodhull contributed to long term shifts in attitudes about sexuality and the slow liberation of marriage and other social institutions Using contemporary sources such as images from the sporting news Frisken takes a fresh look at the heyday of this controversial women s rights activist discovering Woodhull s previously unrecognized importance in the turbulent climate of Radical Reconstruction and making her a useful lens through which to view the shifting sexual mores of the nineteenth century

**The Old Mohawk Turnpike Book** Nelson Greene,1924 *Radicals in their Own Time* Michael Anthony Lawrence,2010-11-22 *Radicals in Their Own Time* explores the lives of five Americans with lifetimes spanning four hundred years who agitated for greater freedom in America Every generation has them individuals who speak truth to power and crave freedom from arbitrary authority This book makes two important observations in discussing Roger Williams Thomas Paine Elizabeth Cady Stanton W E B Du Bois and Vine Deloria Jr First each believed that government must broadly

tolerate individual autonomy Second each argued that religious orthodoxy has been a major source of society's ills and all endured serious negative repercussions for doing so The book challenges Christian orthodoxy and argues that part of what makes these five figures compelling is their willingness to pay the price for their convictions much to the lasting benefit of liberty and equal justice in America      *Reconstruction* Paul E. Teed, Melissa Ladd Teed, 2015-07-28 Providing an exciting narrative of Reconstruction based on current scholarship historical sources as well as interpretive essays on special topics this book offers real insight into a controversial and critical period in American history *Reconstruction A Reference Guide* covers the entire period of Reconstruction 1863 1877 with a special emphasis on the struggle for social and political equality in the post Civil War South The book's analytical essays selection of primary documents and biographies of key participants give readers an understanding of social political and economic changes that occurred during this important period as well as provide opportunities to explore more specific issues and debates Synthesizing and building on the work of recent scholars the book documents how the central struggles of Reconstruction revolved around the meaning of freedom for former slaves The essays describe how a new and sometimes deadly conflict over equal rights and racial justice raged throughout the South in the post Civil War period and generated a constitutional crisis in the nation's capital as former slaves created alliances with sympathetic whites and sought to build a biracial democracy in the former Confederacy Readers will not only understand the facts and events of the period but will also be introduced to historical sources and key interpretive debates

**Radical Christian Writings** Andrew Bradstock, Christopher Rowland, 2008-04-15 This volume which fills a gap in the current literature will be essential reading for third year undergraduates and above in Biblical studies      *Portraits of American Women* G. J. Barker-Benfield, Catherine Clinton, 1998 Until recently a womanless American history was the norm But without a history of women we neglect gender dynamics sex roles and family relations the very fundamentals of human interaction Here 24 short essays locate the histories of women from Pocahontas to Betty Friedan and men together by period and provide a sense of their continuities through the whole gallery of the American past 26 photos      *The 19th Amendment* Michael Burgan, 2006 Discusses the long struggle for women's voting rights and the 19th Amendment that became law and gave women that right      **Handbook of Adult Development** Jack Demick, Carrie Andreoletti, 2012-12-06 This volume is an outgrowth of contemporary research on development over the adult lifespan which by now has burgeoned and developed both nationally and internationally However for us the impetus to be involved in this area was spawned and nurtured by our initial association with the Society for Research in Adult Development SRAD with its origins some 15 years ago by Michael Commons and his associates in Cambridge Massachusetts Through the good will and support of this society we also became and are still heavily involved with the *Journal of Adult Development* and the Kluwer Plenum Monograph Series on Adult Development and Aging of which this volume is a companion Many of the contributions in the volume are from SRAD members who consistently adhere to a focus on positive adult development Their chapters have been complemented by pieces from

other researchers who have adopted more mainstream approaches to adult development and or aging Regardless of the particular approach and or focus of the chapter all the work reported herein supports the relatively recent idea that development is not restricted to children and adolescents but continues throughout the adult lifespan in ways that we never envisioned some 20 years ago Thus the volume represents state of the art theory research and practice on adult development which has the potential to occupy us all for some time to come

**Wise Women** Susan Cahill, 1997 Spiritual experience is a liberating source of women's identity and their resistance to oppression This deeply moving collection of memoirs stories poetry letters prayers and theologies is a source of empowering and uplifting thought for women in any time at any age

*Golden Cables of Sympathy* Margaret McFadden, 1999 An intricate network of contacts developed among women in Europe and North America over the course of the nineteenth century These women created virtual communities through communication support and a shared ideology Forged across boundaries of nationality language ethnic origin and even class these connections laid the foundation for the 1888 International Council of Women and formed the beginnings of an international women's movement This matrix extended throughout England and the Continent and included Scandinavia and Finland In a remarkable display of investigative research Margaret McFadden's *Golden Cables of Sympathy* is a remarkable display of investigative research

*Classical and Contemporary Social Theory* Tim Delaney, 2016-01-08 Classical and Contemporary Social Theory Investigation and Application 1 e is the most comprehensive informative social theory book on the market The title covers multiple schools of thought and applies their ideas to society today Readers will learn the origins of social theory and understand the role of myriad social revolutions that shaped the course of societies around the world
