Queen Elizabeth II and the Royal Family DK,2015-09-15 Queen Elizabeth II and the Royal Family is a magnificent tribute to the life and reign of Queen Elizabeth II and a celebration of the British royal family from the first English kings through the birth of the queen s second grandchild to Prince William and Kate the Duchess of Cambridge Highly illustrated with photographs and timelines throughout Queen Elizabeth II and the Royal Family tells the story of the House of Windsor and includes events such as the royal wedding of Prince William and Kate Middleton and profiles on key people such as Princess Diana and Prince Harry Graphics illuminate details of the queen s personal and private life vivid photographs highlight important events special features showcase the royal residences and timelines untangle the complete history of the kings and queens of England and Scotland tracing the line of succession to the throne This gorgeous book is the most complete visual history of Britain s most enduring icon Queen Elizabeth II and the royal family *Queen Elizabeth II* Charles River Charles River Editors,2017-01-11 Includes pictures Includes quotes by the Queen about her life and reign Includes online resources and a bibliography for further reading Includes a table of contents When I was twenty one I pledged my life to the service of our people and I asked for God s help to make good that vow Although that vow was made in my salad days when I was green in judgement I do not regret nor retract one word of it Elizabeth II Until the implementation of new legislation on March 26 2015 men were given preference to women in the British royal line This system of male primogeniture meant that women seldom inherited the throne and even when they did they were often dominated by male councillors Those women who married British kings gained the title of Queen but they were queen consorts holding the title with no power This makes Elizabeth II one of a select few queens regnant queens ruling in their own right and one of even fewer to set her own course in the history of her family and its throne This is ironic given that history and Elizabeth s relation to preceding monarchs made it highly unlikely that she would ever even inherit the throne It was only the abdication of her uncle in circumstances that shocked the world that put the young Princess Elizabeth s father on the throne and made her the heir In less tumultuous times hers would not have been the head that wore the crown Nonetheless Queen Elizabeth II has become so much a part of British society and culture that her presence is taken almost for granted setting the standard people now expect of a British monarch The longest lived and second longest reigning monarch in British history Elizabeth II has overseen her country during a time of incredible turmoil and ever accelerating change providing a stable figure at the

heart of a nation going through seemingly endless upheavals Her impact in this regard extends beyond the United Kingdom and all the way to those countries of the Commonwealth over which she is still monarch In too many ways to count hers has been an extraordinary reign but even as she has been able to portray herself as a figure of tradition she has been a modern queen in many respects so even as she reaches old age and her subjects are forced to consider what life will be like without her she has set the Royal Family on a path to modernity Queen Elizabeth II The Life and Legacy of Britain s Second Longest Reigning Monarch traces the life of Elizabeth II and the history of her reign Along with pictures of important people places and events you will learn about Queen Elizabeth II like never before in no time at all **Queen Elizabeth II and the Royal Family** DK,2021-06-08 Experience the life and reign of Queen Elizabeth II and the Royal family through rare restricted and exclusive photos A stunning pictorial biography of Queen Elizabeth recounting her childhood succession to the throne and her dutiful service as the reigning monarch of Britain This biography of the Queen also includes the history of the royal family and the house of Windsor Queen Elizabeth II and the Royal Family 3rd Edition features accounts of most of the royal household including the Queen and Prince Philip s children grandchildren and great grandchildren Inside the pages of her biography you ll find The complete history of the Kings and Queens of Scotland and England explaining the story of succession to the throne over more than 1 000 years Special features profile royal residences including Buckingham Palace and Windsor Castle Dazzling photographic galleries showcase royal regalia and artifacts Visual timelines at the start of each chapter highlight the key milestones in the history of the monarchy For 70 years the Queen was beloved and admired by the British public the Commonwealth heads of states and many others Following her ascent to the throne at the age of 27 she spent her entire life in service of the public and state This biography celebrates her life through photographs and profiles and provides the reader with insight into this remarkable woman Teaming with dazzling galleries of royal artefacts photographic tours royal residences and the Royals up close makes this the perfect book for fans of the royal family or anyone interested in the history of the British monarchy Queen Elizabeth II and the Royal Family 3rd Edition This definitive memorial book 3rd Edition published in 2021 is revised to include events and milestones such as the retirement of the Duke of Edinburgh the birth of Charlotte Louis Archie and other family members Harry and Meghan s wedding and their decision to step back as senior members of the royal family This is the perfect gift for fans of the Queen and royal family followers of the Netflix series The Crown or anyone interested in the history of the British monarchy **Modern Britain, 1750 to the Present** James Vernon,2017-04-20 An introductory textbook charting a global history of modern Britain from 1750 to the present
