Published in 1955 a year after the Supreme Court in *Brown v Board of Education* ordered schools desegregated *Strange Career* was cited so often to counter arguments for segregation that Martin Luther King Jr called it the historical Bible of the civil rights movement The book offers a clear and illuminating analysis of the history of Jim Crow laws presenting evidence that segregation in the South dated only to the 1890s Woodward convincingly shows that even under slavery the two races had not been divided as they were under the Jim Crow laws of the 1890s In fact during Reconstruction there was considerable economic and political mixing of the races The segregating of the races was a relative newcomer to the region Hailed as one of the top 100 nonfiction works of the twentieth century *The Strange Career of Jim Crow* has sold almost a million copies and remains in the words of David Herbert Donald a landmark in the history of American race relations

**Composition in Black and White** Kathryn Talalay, 1997-04-24 George Schuyler a renowned and controversial black journalist of the Harlem Renaissance and Josephine Cogdell a blond blue eyed Texas heiress and granddaughter of slave owners believed that intermarriage would invigorate the races thereby producing extraordinary offspring Their daughter Philippa Duke Schuyler became the embodiment of this theory and they hoped she would prove that interracial children represented the final solution to America's race problems Able to read and write at the age of two and a half a pianist at four and a composer by five Philippa was often compared to Mozart During the 1930s and 40s she graced the pages of *Time* and *Look* magazines the *New York Herald Tribune* and *The New Yorker* Philippa grew up under the adoring and inquisitive eyes of an entire nation and soon became the role model and inspiration for a generation of African American children But as an adult she mysteriously dropped out of sight leaving America to wonder what had happened to the little Harlem genius Suffering the double sting of racism and gender bias Philippa had been rejected by the elite classical music milieu in the United States and forced to find an audience abroad where she flourished as a world class performer and composer She traveled throughout South America Europe Africa and Asia performing for kings queens and presidents By then Philippa had added a second career as an author and foreign correspondent reporting on events around the globe from Albert Schweitzer's leper colony in Lambaré to the turbulent Asian theater of the 1960s She would give a command performance for Queen Elisabeth of Belgium one day and hide from the Viet Cong among the ancient graves of the Annam kings another But behind the scrim of adventure glamour and intrigue was an American outcast a woman constantly searching for home and self I am a beauty but I'm half colored so I'm always destined to be an outsider she wrote in her diary Philippa tried to define herself through love affairs but found only disappointment and scandal In a last attempt to reclaim an identity she began to pass as Caucasian Adopting an Iberian American heritage she reinvented herself as Felipa Monterro an ultra right conservative who wrote and lectured for the John Birch Society Her experiment failed as had her parents dream of smashing America's racial barriers But at the age of thirty five Philippa finally began to embark on a racial catharsis She was just beginning to find herself when on May 9 1967 while on an unauthorized mission of mercy her life was cut short in a helicopter crash over the

waters of war torn Vietnam The first authorized biography of Philippa Schuyler Composition in Black and White draws on previously unpublished letters and diaries to reveal an extraordinary and complex personality Extensive research and personal interviews from around the world make this book not only the definitive chronicle of Schuyler s restless and haunting life but also a vivid history of the tumultuous times she lived through from the Great Depression through the Civil Rights movement to the Vietnam war Talalay has created a highly perceptive and provocative portrait of a fascinating woman
