her husband for one half of the year to be with her mother During this time Demeter allows the vegetation to once again sprout but when Persephone returns to the Underworld the Goddess of Fertility once again withholds her gifts Thus the seasons have been created Continuing on the story explains the role Persephone assumes as Queen of the Dead and tells several tales of mortals who risked everything by entering into the Underworld Orpheus travels for weeks to beg the Goddess of Death to return his wife Eurydice to life the Laph prince Pirithous with the help of his companion Theseus tries to kidnap Persephone and make her his bride for their foolishness they are turned into statues four years later when the hero Hercules enters the Underworld as one of his Twelve Labors he is able to free his cousin Theseus Other tales within the story include that of Psyche and Eros followed by Adonis who was raised by Persephone and finally the story of how the new God Dionysus was created The last part explains how with the beginning of Christianity the Old Gods were demoted into demons and without the daily offerings they became accustomed to they began to fade Only the strongest of the gods survived during this period With the beginning of the new century hope was returned as the Old Religions were beginning to be revived Isadora Marie is a Wiccan living in the metro Chicago area with her life mate and their canine and feline companions Isadora grew up studying the Greek myths and as a child was fascinated with all the different Gods Goddesses and heroes that populated them When Isadora became a Wiccan it was these same Gods and Goddesses who became important not only in rituals but in her life She currently works in a history museum and her work around the artifacts of several different countries only increased her love for mythology Though Isadora has worked with Gods and Goddess of several different cultures it was those of Ancient Greece from her childhood that she felt the closest connection to and after several decades of studying these myths she felt that it was time to tell a more modern version of one of her favorites that of the Goddess Persephone Since her background is in art and design Isadora has been working on several projects to incorporate this element into her spirituality A current project is developing a photographic Tarot deck which included several of the Goddesses of Greece along with those of India and Egypt All of her artistic projects are not only a work of love but she hopes that they will inspire others to find the beauty in the old myths
