Greek Sport and Social Status Mark Golden,2009-09-15 From the ancient Olympic games to the World Series and the World Cup athletic achievement has always conferred social status In this collection of essays a noted authority on ancient sport discusses how Greek sport has been used to claim and enhance social status both in antiquity and in modern times Mark Golden explores a variety of ways in which sport provided a route to social status In the first essay he explains how elite horsemen and athletes tried to ignore the important roles that jockeys drivers and trainers played in their victories as well as how female owners tried to rank their equestrian achievements above those of men and other women In the next essay Golden looks at the varied contributions that slaves made to sport despite its use as a marker of free Greek status In the third essay he evaluates the claims made by gladiators in the Greek east that they be regarded as high status athletes and asserts that gladiatorial spectacle is much more like Greek sport than scholars today usually admit In the final essay Golden critiques the accepted accounts of ancient and modern Olympic history arguing that attempts to raise the status of the modern games by stressing their links to the ancient ones are misleading He concludes that the contemporary movement to call a truce in world conflicts during the Olympics is likewise based on misunderstandings of ancient Greek traditions

George Pitt-Rivers and the Nazis Bradley W. Hart, 2015-10-29 George Pitt Rivers began his career as one of Britain's most promising young anthropologists conducting research in the South Pacific and publishing articles in the country's leading academic journals With a museum in Oxford bearing his family name Pitt Rivers appeared to be on track for a sterling academic career that might even have matched that of his grandfather one of the most prominent archaeologists of his day By the early 1930s however Pitt Rivers had turned from his academic work to politics Writing a series of books attacking international communism and praising the ideas of Benito Mussolini and Adolf Hitler Pitt Rivers fell into the circles of the anti Semitic far right In 1937 he attended the Nuremberg Rally and personally met Adolf Hitler and

other leading Nazis With the outbreak of war in 1940 Pitt Rivers was arrested and interned by the British government on the suspicion that he might harm the war effort by publicly sharing his views effectively ending his academic career This book traces the remarkable career of a man who might have been remembered as one of Britain s leading 20th century anthropologists but instead became involved in a far right milieu that would result in his professional ruin and the relegation of most of his research to margins of scientific history At the same time his wider legacy would persist far beyond the academic sphere and can be found to the present day *Local History of Detroit and Wayne County* George Byron Catlin,1928 **Hugh Roberts** ,1973 **National Union Catalog** ,1961 Includes entries for maps and atlases **Family History James Alan Burdick** james burdick,2016-02-19 The family history of James Alan Burdick as of February 20 2016 Printed for review Michigan School Moderator ,1898 **Lewis County, Tennessee** ,1995
