ALSOBROOK, 1990

Touching Space, Placing Touch Mark Paterson, Martin Dodge, 2016-02-24 Given that touch and touching is so central to everyday embodied existence why has it been largely ignored by social scientists for so long What is the place of touch in our mixed spaces of sociality work domesticity recreation creativity or care What conceptual resources and academic languages can we reach towards when approaching tactile activities and somatic experiences through the body How is this tactile landscape gendered How is touch becoming revisited and revalidated in late capitalism through animal encounters tourism massage beauty treatments professional medicine everyday spiritualities or the aseptic touch free spaces of automated toilets How is touch placed and valued within scholarly fieldwork and research itself integral as it is to the production of embodied epistemologies How is touch involved in such aesthetic experiences as shaping objects in sand or encountering fleshly bodies within a painting The goal of this edited collection Touching Space Placing Touch is twofold 1 To further advance theoretical and empirical understanding of touch in social science scholarship by focussing on the differential social and cultural meanings of touching and the places of touch 2 To develop a multi faceted and interdisciplinary explanations of touch in terms of individual and social life personal experiences and tasks and their related cultural contexts The twelve essays in this volume provide a rich combination of theoretical resources methodological approaches and empirical investigation Each chapter takes a distinct aspect of touch within a particular spatial context exploring this through a mixture of sustained empirical work critical theories of embodiment philosophical and psychoanalytic approaches to gendered touch and touching or the relationship between visual and non visual culture to articulate something of the variety and variability of touching experiences The contributors are a mixture of established and emerging researchers within a growing interdisciplinary field of scholarship yet the volume has a strong thematic identity and therefore represents the formative collection concerning the multiple senses of touch within social science scholarship at this time Sam's Creed Sarah McCarty, 2011-02-01 Known for making up his own rules of right and wrong Texas Ranger Sam Wildcard MacGregor takes what he wants when he wants it especially when it comes to women But seduction is the last thing on his mind when he stumbles across a beauty crouching in fear beside a burned out wagon Isabella may look feminine and unassuming but she s hell in a bodice with gunslinging skills to match any man s The woman the townsfolk call cursed is hiding secrets too dangerous to face alone Luckily she sees in Sam what he can barely glimpse in himself a virtuous man in a hard country bent on breaking him A man who under it all craves a passionate woman willing to risk everything Not Magnolia Edith Everett Taylor Pope, 1928 The Rake's Enticing Proposal Lara Temple, 2019-07-01 Dare she accept Intense heartrending gloriously romantic and easily one of the

best historical romances I've read this year All About Romance When globe trotting Chase Sinclair arrives at Huxley Manor to sort out his late cousin's affairs he meets practical Eleanor Walsh He can't shake the feeling that behind her responsible manner and dedication to clearing her family's debt Eleanor longs to escape her staid life Chase can offer her an exciting adventure in Egypt But the outcome depends on her response to his shocking proposal Service with a Smirk Ariel Tachna,2017-01-13 An At Your Service Novel Pascal Larocque a waiter at a high end Montr'al restaurant knows what it means to love and he knows what it means to lose He buried the man he expected to spend his life with years ago He's perfectly happy with his solitude or so he tells his friends But a chance encounter in a neighborhood bar followed by a run in at his apartment building turns his world upside down Mathias Perras is twenty four newly arrived in Montr'al and works two jobs so he can live on rue Sainte Catherine in the heart of the gay district During the day he's on a fast track to management at the Banque de Montr'al At night he waits tables at a gay bar down the street He's burning the candle at both ends but it will be worth it when his career takes off and he has the life he's always dreamed of When he meets Pascal one more piece of that dream slots into place Pascal is everything he wants in a lover older self assured established in his life and his career But Pascal doesn't look at him twice What's a boy have to do to get a little action *Andrew the Glad* Maria Thompson Daviess,1913 **Till the Heart Sings** Samuel L. Terrien,2004 Samuel Terrien systematically shows that when the books of the Old and New Testaments are viewed in their historical growth they reveal a theology of manhood and womanhood that runs counter to modern religious attitudes and practices **The Games Lovers Play** Stephanie Laurens,2021-03-18 1 New York Times bestselling author Stephanie Laurens returns to the Cynsters next generation with an evocative tale of two people striving to overcome unusual hurdles in order to claim true love A nobleman wedded to the lady he loves strives to overwrite five years of masterful pretence and open his wife's eyes to the fact that he loves her as much as she loves him Lord Devlin Cader Earl of Alverton married Therese Cynster five years ago What he didn't tell her then and has assiduously hidden ever since for what seemed excellent reasons at the time is that he loves her every bit as much as she loves him For her own misguided reasons Therese had decided that the adage that Cynsters always marry for love did not necessarily mean said Cynsters were loved in return She accepted that was usually so but being universally viewed by gentlemen as too managing bossy and opinionated she believed she would never be loved for herself Consequently after falling irrevocably in love with Devlin when he made it plain he didn't love her yet wanted her to wife she accepted the half love match he offered and once they were wed set about organizing to make their marriage the very best it could be Now five years later they are an established couple within the haut ton have three young children and Devlin is making a name for himself in business and political circles There's only one problem Having attended numerous Cynster weddings and family gatherings and spent time with Therese's increasingly married cousins who with their spouses all embrace the Cynster ideal of marriage based on mutually acknowledged love Devlin is no longer content with the half love match he himself engineered No fool he sees and

comprehends what the craven act of denying his love is costing both him and Therese and feels compelled to rectify his fault. He wants for them what all Therese's married cousins enjoy: the rich and myriad benefits of marriages based on acknowledged mutual love. Love he's discovered is too powerful a force to deny, leaving him wrestling with the conundrum of finding a way to convincingly reveal to Therese that he loves her without wrecking everything, especially the mutual trust they've built over the past five years. A classic historical romance set amid the glittering world of the London haut ton. A Cynster Next Generation novel, a full-length historical romance of 110,000 words. Praise for *The Games Lovers Play*: A high society Regency era couple explores the genuine affection they share for one another against a sophisticated vintage backdrop. Unwaveringly eloquent, *Games Lovers Play* is as much a snapshot of a maturing marriage as it is an impassioned, provocative romance. Libbybet R G Proofreader, Red Adept Editing. It isn't fashionable for members of high society in mid-nineteenth century London to be in love with their spouses, but Lord Devlin Cader, seventh Earl of Alverton, is.
