definitive King of Rock and Roll First coined by High school friend and local DJ Memphis Disc Jockey George Klein GK as The King of Rock and Roll It was an innocent but truthful description of what transpired the first two years of his career 1954 1956 But the road to the title had pitfalls Elvis The King of Rock and Roll describes why Elvis Presley earned and deserved this title Altering a trajectory of history in a single moment On July 5th 1954 Elvis Presley started a firestorm that transformed popular music while forever changing the landscape of the music industry A firestorm which would transform the world Elvis Presley The King of Rock and Roll puts the reader in the midst of it Within three years Elvis Presley went from the brink of a failed audition to the largest selling recording artist in the world The musical genre pioneered by Elvis and his contemporaries presented Rock Roll to a new audience Arguably helping bridge a cultural divide and would be a catalyst of change for generations You will feel the emotions of the young teenager and understand what caused the world s transformation Focusing primarily on the music events and people around him all catalysts to his success The unassuming public persona and demeanor of young Elvis Presley giving him the capacity to usher in the music of Rock Roll and changing the world forever Elvis Presley achieved fame with raw talent alone without any musical or financial pedigree In 2017 George Klein GK Reading my book excerpts in the Sirius XM Elvis Radio Studio said Frank no one has written this book the way you are writing it It has to be written This the story that has yet to be shared
