

## **Embodiment**

**We are caught in life  
to a set time and place  
from which there is  
just sometimes escape,**

**from our beginning  
we are like animals in a cage  
and although the bars  
are usually transparent**

**we are bounded still,  
we are caught into our bodies,  
are sometimes limited to a set class,  
a set occupation and work,**

**we are limited to that which destiny does bring,  
while continually time is running out,  
while the years do circle out from us  
until we do notice someone else**

**that has been decimated by life,  
that still tries  
to stand staggering,  
tries to go on  
with life at a time of destruction**

**and then we are reminded  
at how much better our fate is,  
that we are still  
in the hands of God.**
