On the outskirts of the recently developed and prosperous city of Hyderabad, India, a new and luxurious housing complex has arisen. But several residents have been found brutally murdered. Some believe the killer is a rogue tiger. Others whisper that it is the work of the servants of Kali, the Hindu goddess of death. Her feet are barely on Indian soil when archaeologist Annja Creed finds herself swept up in Hyderabad's modern prosperity. But something about the recent spate of killings seems unusual, and Annja begins to dig deep for answers. Instead, she finds herself taken prisoner and held in a maze of ancient caves. She's being held captive by a cult of thieves who are under the thrall of a charismatic leader. In only a few short hours, Annja is to be sacrificed unless she can channel the vengeance of the goddess Kali herself. *The Furys* James Hanley, 2015-03-17

A boy returns home from seminary to a family on the verge of collapse. For almost seven years, Mrs. Fury has done nothing but think of Peter. Of her five children, he is the youngest, her darling boy whose future she planned out long ago. It was for Peter that she took one child out of college and married another off; for Peter that she sent a third to work at sea. She has sacrificed everything so that Peter could return to Ireland to study for the priesthood. He is to be the family's salvation, but after seven years in seminary, Peter has failed. Mrs. Fury receives two telegrams: one telling her that Peter is coming home, the other bearing the news that her eldest son, Anthony, has fallen from his ship's mast and is in a hospital in New York. With two slips of paper, Mrs. Fury's hopes for the future are dashed. But this Irishwoman is strong as iron, and she will do whatever it takes to keep her family together, if only for Peter's sake. *The Furys* is the first book of James Hanley's acclaimed *Furys* Saga. *Fight* Kelly Wyre, 2019-10-05

To Nathan Hunt, honesty is anything but the best policy. Telling the truth has earned him nothing but heartache and pain, so lying about who he is and what he wants seems to be the only path to job security and friends. Hell, it even brings him a hollow kind of happiness. Except that's not much of a life for anyone. Desperate to cure his self-made misery, Nathan agrees to go along with a con that will score enough cash for Nathan to start over. There's just one problem: lying is getting harder by the day. And a con who can't lie is a con who gets caught. Nathan's attempts to distract himself from his moral quandary lead him to a mysterious, intoxicating man named Fury, a mixed martial arts fighter who knows a thing or two about lies and pasts better left dead and buried. Together, they undertake a journey that proves honesty is more dangerous and more difficult than either of them could have imagined. And as they combat addiction, thugs, guns, and inner demons, Nathan and Fury can only hope that their battle to be together is worth the bitter fight.

**The Last Bell** Donald McRae,2025-03-13 One of the very best writers working today Benjamin Myers author of The Offing and The Gallows Pole Thrilling and raw this is sport writing at its best Dina Nayeri author of The Ungrateful Refugee Donald McRae has been immersed in boxing for fifty years He has followed fighters around the world and won multiple awards for his writing But in recent years McRae s love has waned as criminality and corruption consume the soul of boxing In 2018 grieving the death of his sister and with his parents terminally ill he sought refuge in boxing again just as Tyson Fury completed an incredible comeback proving that the ring can still offer exhilaration and redemption From Fury s resurrection to the first undisputed heavyweight champion this century boxing can be epic and electrifying It can also be disappointing as McRae discovers when he documents doping s insidious rise or travels to Saudi Arabia where boxing ignores state repression In The Last Bell McRae takes us ringside to thrilling bouts with great contemporary champions and fighters as different as Fury Canelo Alvarez Oleksandr Usyk Katie Taylor Regis Prograis and Isaac Chamberlain Whether in London or Las Vegas he shows us what it is like to see joy pour out of a boxer in the dressing room after a magnificent victory or to hold the hand of a fighter being wheeled away on a stretcher after a devastating defeat As he tries to reconcile the contradictions which lie at boxing s murky heart McRae is unflinching and compelling McRae helps boxers open up about their doubts and fears and

charts the courage of fighters facing ordeals from depression to war And in telling the heartbreaking story of Patrick Day he faces death in the ring The Last Bell is his most powerful and personal book yet a riveting account of life death and boxing
