shows up at the event dressed all in black with the startling announcement that she and the deceased were secretly in love Then the controversy doubles when another woman arrives with a huge diamond ring on her finger claiming to have been Fred s intended Could it be that unassuming Fred Neville was actually involved with two women in secret and at the same time Roger thinks not and finds a notable piece of evidence to back up his hunch when a secret stash of Fred s poetry turns up clearly written with a single woman in mind Unfortunately the object of Fred s intense love remains unnamed in his verse Suddenly both women are suspects in a vicious crime But it s up to Roger to plug into the campus gossip grid and with a little help from Phil not to mention his vast knowledge of just about everything that happens on campus determine the exact chain of events that led to murder

Shopping for Identity Marilyn Halter,2000 In America today you can connect to your ethnic heritage in dozens of ways or adopt an identity just for an evening Our society is not a melting pot but a salad bar a bazaar in which the purveyors of goods and services spend close to 2 billion a year marketing the foods clothing objects vacations and events that help people express their and others ethnic identities This is a huge business whose target groups are the hyphenated Americans in other words all of us As immigrant groups gain economic security they tend to reinforce not relinquish their ethnic identification Marilyn Halter demonstrates that to a great extent they do it by shopping And their purchasing power is enormous How has the marketplace responded to this hunger Instantly and wholeheartedly tweaking old products and inventing new ones launching new brands in supermarkets new music groups vacation itineraries language courses toys greeting cards et cetera This nexus of business and ethnicity is already seen as the hottest consumer development of this decade and Halter is uniquely qualified to describe its origins the exponential growth of products and advertising and the phenomenal sales of items from salsa to Chieftains CDs She addresses her subject with an abundance of anecdotal evidence telling examples of ethnic marketing and interviews with entrepreneurs many of them immigrants who are vigorously seizing the opportunities offered by the business of ethnicity Shopping for Identity is provocative intriguing and farseeing illuminating an important aspect of our contemporary way of life while validating the yearning we all feel for connection to our roots From the Hardcover edition

The Letter Killeth Ralph McInerney,2025-06-25 Once the college football season draws to a close for the Fighting Irish there is little reason to ride out the winter in South Bend Indiana Those who can leave do but P I Philip Knight stays on at Notre Dame when the university asks him to discreetly investigate a rash of threatening letters that have been sent to a number of administrators including the new football coach who resurrected the team in a single year While conspiracy theories are as prevalent as the cold Philip and his brother Roger think the letters are probably a prank or possibly a student paper s attempt at yellow journalism but nothing more Then a controversial professor s car is set on fire a man is found dead on campus and the Knight brothers find themselves hot on the trail of a killer in Ralph McInerney s tenth mystery set at Notre Dame
