Emerald Garden:

Chinese Indonesians in Post-Suharto Indonesia Wu-Ling Chong, 2018-10-02 Selfish obscenely rich insular and opportunistic these remain how Chinese minorities in Indonesia are perceived by the indigenous population However far from being passive victims of discrimination and marginalisation Chong presents a forceful case in which Chinese Indonesians possess the agency to shape their future in the country particularly in the changing political business and socio cultural environment after the fall of Suharto While a lack of good governance that promotes the rule of law and accountability allows or even encourages some Chinese to maintain the status quo by perpetuating corrupt business practices inherited from Suharto s New Order regime there are other Chinese Indonesians who make full use of the democratic space opened up under the new administrations acting as agents of reform by participating in electoral politics and establishing inter ethnic socio cultural organisations Building on Anthony Giddens s structure agency theory and Pierre Bourdieu s notions of habitus and field Chong shows that the Chinese minorities have played an active role in the democratic process even though they continue to occupy an ambivalent position in Indonesia The Chinese Indonesians diverse strategies to safeguard their personal interests and cultural identities make a stimulating case study of what an ethnic minority could do to make a difference Backed by formidable research Chong has produced an intriguing and original view of the political social and economic activity of the still precariously placed Chinese minority in Indonesia Donald L Horowitz Duke University author of *Constitutional Change and Democracy in Indonesia* In this illuminating study Chong traces the political economy of Indonesia s ethnic Chinese minority as they navigate the country s post 1998 politics which is more free but still lacks strong rule of law Focusing especially on Medan and Surabaya she analyses how some have strongly supported reforms while many continue old practices of surviving and profiting by participating in massive corruption and extortion Jeffrey A Winters Northwestern University author of *Oligarchy*

Fearless Color Gardens Keeyla Meadows, 2025-04-08 Renowned garden artist Keeyla Meadows sees the world in strong saturated shades *Fearless Color Gardens* brings this unique vision to life by showing how to use wild uninhibited color to connect indoor and outdoor spaces and turn a garden into a work of art Learn how to pick colors that work together how to coordinate the colors of walls benches containers and garden art how to organize garden spaces through the use of color and how to translate personal color preferences into tangible form in the garden *Fearless Color Gardens* also features a new way of looking at color with Keeyla s Color Triangle easy to use tips on growing edibles in color themed gardens and Keeyla s favorite plants for specific colors In the end readers will want to reinvent the staid rules of the color wheel and turn their color preferences into intoxicatingly vibrant garden expressions
