*Deshpande and Anita Desai* Dr. Rachana Yadav, 2018-12-15 Since ancient times Patriarchal hegemony on socio cultural institutions has established the general notion about woman as a shadow figure to a male concierge be he a father a husband or a son. It was also a granted notion that reader writer and even critic of all literature can only be male because this notion assumes the exclusion of female voice from the institution of literary expression shunning her as an inferior sex. The purpose of all Patriarchal conspiracy is to retain power and possessive right over womenfolk. To make women believe that there is such a thing as essence of femaleness called femininity serves the purpose of Patriarchy. This speaks of the Male chauvinistic conspiracy and prudish notion of the male dominance in the world for exploitation of womenfolk. **Writing Women's**

Taking us through a series of revolutions, he explores the contributions of other cultures and civilizations to the West's emergence, weaving in historical, geographical, and cultural factors. The new edition also contains more material on themes such as the environment and gender, and additional coverage of India, China, and the Islamic world. Daly's engaging narrative is accompanied by timelines, maps, and further reading suggestions, along with a companion website featuring study questions, over 100 primary sources, and 60 historical maps to enable further study.
