Effective Christian Living:

New Believer's Guide to Effective Christian Living Greg Laurie, 2013-12-13 You've become a Christian. Now what? You've chosen to follow Jesus, but now you have questions. A lot of them. In this clear and insightful guide, renowned evangelist and Bible teacher Greg Laurie answers common questions new Christians ask, offering practical advice for believers who are just embarking on their life with Christ. Starting with the basics and then digging deeper, he addresses: How should I live as a Christian? How do I talk to God through prayer? Where should I go to church? How do I grow spiritually and deepen my faith? Simple and straightforward for beginners, this guidebook is the perfect resource to help you build a solid Scripture-based foundation for your faith.

Effective Christian Living Jack Selfridge, 1994 Does your life have an effect on those around you? God has planned that your Christian life should bear fruit. Can you see spiritual growth in your life, and is your life influencing others? Is the Holy Spirit working through you to further God's wonderful plan? Sometimes he has to cut away things in our lives that are hindering growth. At other times, he encourages us in the way a gardener tends his plants. In these twenty-four sequential short studies, Jack Selfridge shows how we can learn to be fruitful. He asks challenging questions at the end of each study.

EFFECTIVE CHRISTIAN LIFE PASTOR DOUGLAS ABDULLAHI KASIMU, Hosea 4:6 tells us that nothing sets a man free other than a sound knowledge of his position in the Kingdom of God. This book is intended to liberate the children of God from continual groping in darkness. It is intended to indoctrinate our minds with the things that matter in our daily Christian life. The Bible says in Song of Solomon Chapter two, verse fifteen: Take us the foxes, the little foxes that spoil the vines, for our vines have tender grapes. These are the little but important doctrines that have hitherto been swept under the carpet of religiosity.

7 Principles for an Effective Christian Life R. Lavelle Brown, 2015-12-14 7 Principles for an Effective Christian Life is based on the teaching series from Pastor R. Lavelle Brown. In this book, you will be given 7 principles to always keep in your heart and mind as you journey through life as a Christian disciple.

Your Glorious, Victorious Journey Charles Garrett, 2015-11-18 Success principles are almost universal but are often difficult to apply. This is true for Christians who attempt to live for Christ and still answer the demands of everyday living. In *Your Glorious, Victorious Journey*, author Charles Garrett presents a simple yet effective outline and plan to help ensure success as a Christian. Garrett offers keys to success with the ultimate goal of being an effective servant, finding a map for your journey, and making a battle plan to help you fight the attacks of the enemy. He shows you how to discover your purpose, declare your principles, determine your priorities, describe your prize, decide your price, develop your plan, deploy your parachute, discuss your progress, and deliver your proof. *Your Glorious, Victorious Journey* discusses the strategic keys to help you identify and clarify your purpose in life and help plan your route. It addresses the tactical keys, the mileposts along your journey that represent your master plan and your detailed road map. With a fresh and well-seasoned perspective gained through personal experience, Garrett gives a new dynamic to successful Christian living by taking concepts that are typically reserved for business and applying

Rogers,2024-06-30 A straight forward simple life changing easy to read common sense look at the complexity of today s difficulties according to and surrounding God s Word the Bible and Christianity Did God simply hit the start button on creation and walk away like it sometimes feels He is almost always active with us daily hourly minute by minute Life is beautiful if we allow it to be and we are blessed beyond measure Your success depends on what you truly believe what drives your existence If you work hard enough at what your heart s desire is about it will happen especially if you are working at something in God s name and in His timing Remember God s plans for you existed before you were born So what do you spend your time on Ask God for help in changing the part of you that He dislikes those things that are negative in nature learn to love yourself Beware of distractions piddling deviations from your purposes mostly they are wrong for you to do at that time However sometimes fires do occur and must be put out The distractions I am alluding to come from fragmented thoughts that lead you to deviate from your plan you end up in a room and don t even remember why you are there If something pops up that requires your attention write it down on your to do list Everyone should have such a list but often they also are simply a distraction list that keeps you from what you ought to be doing People within a congregation those on the edge or outside of Christianity and those trying to make some sense out of their career and life experiences in these difficult times while hanging on to Christian principles they believe in need this book Millions of Christians and non Christians alike need more information and guidance for clarity in a confusing world that often conflicts with one s normal Christian values This book helps define how we can keep a firm grasp on what we believe and apply those principles with a new sense of realization in our life and career It is in that mode that it was developed **Habits of Highly Effective Christians Bible Study Guide** Ron Meyers,2003-06
