**The Disciple-Making Pastor** Bill Hull,2007-10-01 Christ commanded the church to make disciples to produce people who love and obey God bear fruit and live with joy The crisis at the heart of the church is that we often pay lip service to making disciples but we seldom put much effort behind doing it For the pastor who is ready to put words into action The Disciple Making Pastor offers the inspiration and practical know how to do so Bill Hull shows pastors the obstacles they will face what disciples really look like the pastor s role in producing them and the practices that lead to positive change He also offers a six step coaching process to help new disciples grow in commitment and obedience and practical ideas to integrate disciple making into the fabric of the church      *Stand Your Ground* Robert Null,2023-02-17 Standing firm in the face of adversity is an opportunity that we all get to endure I think the willingness to stand is not something that we learn to do but rather that we are inspired to do When we stand we give the Lord something to work with We give him someone to anoint for a purpose someone to use for his cause The willingness to stand arises from having seen others do so or having been inspired through his word Standing firm in the face of adversity is also a matter of character Pastors people and churches often find themselves with the choice of standing firm or fleeing Those who stand are guaranteed a fight Those who flee are guaranteed a failure Since this is the case standing looking for God s victory seems to be the proper course      **Cultural Change & Your Church** Michael Pocock,Joseph Henriques,2007-02-01 In our communities composed of people from various cultures
