Effective Strategic Leadership

Dr. Larry F. Ross Sr.

Effective Strategic Leadership:

Effective Strategic Leadership John Adair, 2003 The concept of leadership is relevant not only to organizational life but to all of us everyone has to lead their own life This authoritative guide answers questions such as what is strategic leadership and how can I develop my abilities as a leader *Effective Strategic Leadership (New Revised Edition)* John Adair, 2002-07-01 John Adair is an exceptionally successful hero of our backlist with the 7 previous titles of the Effective series totting up sales of more than 300 000 copies With the rapid trend away from management to business leadership there is a need for a new broader understanding of leadership This clear and authoritative guide answers the questions what is strategic leadership what makes a person effective as a strategic leader and how can I develop my abilities as a leader The concept of leadership is relevant not only to organisational life but to all of us everyone has to lead their own life To be a strategic life leader means developing a vision and direction for one s life identifying personal core values and fostering an informal team among colleagues and associates *Leading with Strategic Thinking* Aaron K. Olson, B. Keith Simerson, 2015-03-25 Be a more effective leader with strategic thinking Leading with Strategic Thinking reveals what effective leaders do differently Eschewing the one size fits all leadership model this helpful guide outlines four general leadership types and demonstrates how each type achieves success whether through personal vision structured process collaboration or by empowering others The authors identify the actions and skills that distinguish strategic leadership drawn from interviews and focus groups with over three hundred leaders from around the world Examples and case studies illustrate these concepts in action and the provided reference materials steer readers toward more advanced information on this important topic The disruptive forces of technology and globalization raise new challenges for leaders This book is a manual that will help executives and aspiring leaders harness these forces and address the two central questions of strategic leadership How do the best leaders develop their strategy How do effective leaders drive strategic change Becoming a strategic leader isn t about mimicking an icon The most effective leaders seize opportunity in a way that consciously integrates environmental requirements stakeholder expectations and personal ability Leading with Strategic Thinking shows what these leaders do and gives anyone the tools to be a more strategic leader **The Art of Strategic Leadership** Steven J. Stowell, Stephanie S. Mead, 2016-02-16 Develop the qualities of strategic leadership and become an active contributor to the short and long term success of your organization Today s organizations face two daunting challenges 1 How to create new sources of competitive advantage to sustain long term growth and 2 How to engage leaders at every level of the organization so that they are more proactive and forward looking in their area of responsibility The Art of Strategic Leadership uses a unique approach to examine what it means to be a strategic leader Instead of focusing on the skills behaviors and tools found in typical books on strategic leadership the authors shed light on the attributes and qualities necessary to lead strategic change and help transform a business Strategic leadership is what modern leadership is all about

Organizations expect leaders to anticipate and be proactive more than ever before In this book the authors draw on their vast experience working directly with leaders at all levels and use an intriguing narrative to explain this inside out approach to understanding strategic leadership The narrative follows the journey of how one manager discovered these critically important qualities You will experience first hand how these values and attributes manifest in the lives of realistic leaders how they orchestrate long term strategic change needed for the organization to compete and survive and actively shape the future while delivering short term results The Art of Strategic Leadership provides the content that will help you informally assess and reflect on your own strategic leadership qualities those that are strengths and those that indicate areas you need to develop It will guide you as you incorporate these values and qualities into your own leadership style and become a more effective catalyst for change This book will help you in the following ways Develop a more proactive forward thinking approach to leadership Approach strategy from both short and long term perspectives Adopt the core values and principles of a strategic leader Model the qualities exhibited by powerful leaders Strategic leaders serve as powerful examples to others in the organization Their qualities and traits spread rapidly to those around them empowering people at every level to take a more active role in meeting the demands of the future The Art of Strategic Leadership will help you deepen and broaden your understanding of the core qualities of strategic leadership leaving you better equipped to lead yourself and your team to a better place and create greater value for customers owners and employees

Strategic Leadership: Navigating Organizational Success Dr. Bhumika Achhnani,2021-12-20 Learn how to navigate organizational success with strategic leadership principles This book provides insights and practical advice for leaders aiming to drive performance and innovation within their teams and organizations

Strategic Leadership Development Colin Carnall,Chris Roebuck,2017-09-16 This new core textbook addresses the key issues of how organisations build and develop leadership capability and examines how this ability is a key element in delivering organisational success Focusing on the behavioural aspects of leadership it looks at how both individuals and organisations can develop leadership talent and how leaders can influence and shape the strategic direction of an organisation as a whole Drawing on case studies from a variety of contexts and punctuated with questions and activities to encourage reflective learning the text takes a decision making approach and looks at how senior leaders come to make and implement decisions that maximise organizational performance This book is the ideal companion for undergraduate and postgraduate leadership students as well as practitioners researchers and scholars in the field

So You Want to Be a Strategic Leader Dr. Larry F. Ross Sr.,2008-03-11 Many people today are writing about and seeking to understand the concept and practices of leadership There are a great many reasons for the popularity of the topic including the fact that organizations are faced with challenges like never before Some of these challenges might include the ability to align the organization to better support the mission or upgrading technology to enhance production Nevertheless the concept of leadership is relevant to any aspect of ensuring effectiveness in the marketplace for organizations and in managing change

This book represents my experience of 25 plus years of supervising managing and leading folks in the public sector military and Federal government learning about strategic leadership in the military and more recently my doctoral program It centers on strategic leaders the essentials that are needed for them to be effective and successful in organizations It argues that the strategic leader must use the competencies of strategic leadership to influence the future environment technology processes structure strategy and the workforce with the understanding that these are just some of the components that affect the successful operation of an organization Strategic Leadership and Strategic Management Shand Stringham,2012-12

Leaders and managers face tremendous pressure to keep their organizations moving forward successfully It can seem like an impossible task amid economic uncertainty and hyper competition The roles of leader and manager tug us in opposite directions managers seek stability and predictability and leaders usually opt for turbulence and change With so many companies asking their best employees to be both leaders and managers it s no wonder that so much of the business world is dysfunctional This guidebook explains how leader managers work and how to succeed in both roles You can learn how to leverage competing requirements for leading and managing change formulate effective operational and developmental strategies make decisions that address complex challenges and opportunities and help people through the anxiety and trauma of change Whether you are a student seeking to understand the workplace an employee rising up the ranks or an active leader or manager Strategic Leadership and Strategic Management provides you with tools and knowledge to help your organization succeed **Strategic Leadership for Turbulent Times** Mark Kriger,Yuriy Zhovtobryukh,2016-08-18 In today s organizations it is no longer the CEO who acts as the sole strategic leader From single individuals to larger teams and networks leaders at all levels are infiltrating the formal organizational structure and making strategic leadership an increasingly complex endeavor In Strategic Leadership for Turbulent Times Kriger and Zhovtobryukh shrewdly describe the true experiences of what employees encounter as internal and external environments evolve and how to uphold the personal and organizational values which affect both human and social capital They examine how leadership strategies are used in real situations and highlight the importance of managerial wisdom for sustainable growth Finally they offer advice for strategic leaders on leading effectively in highly turbulent economic social technological and multicultural times

Strategic Leadership and Management Sulemana Iddrisu,Abdul-Razak Abubakari,Alhassan Alolo Abdul-Rasheed Akeji,Mohammed Majeed,2025-11-18 To achieve long term success teams and organizations need leaders and managers that can think strategically and solve problems creatively This new book covers the important aspects of strategic leadership and management at the institutional level in key areas of government health education hospitality finance and general industry sectors It offers a comprehensive understanding of the components styles and characteristics of leadership that are crucial for achieving success in today s leadership situations Strategic Management: Competitiveness and Globalisation Dallas Hanson,Michael A. Hitt,R. Duane Ireland,Robert E. Hoskisson,2016-09-29 With an emphasis on global advantage the text
