Efficient Sap R3data Archiving How To Handle Large Data Volumes:

Efficient SAP® R/3®-Data Archiving Markus Korschen,2002-09-12 This book is a practical guide for managing archiving projects with SAP R 3 efficiently Hereby it is addressing both R 3 consultants system administrators and key users Detailed solutions for optimal archiving strategies as well as the manual for a comprehensive database analysis are provided in this book But thereby not only the technical side but also the business side of data archiving is taken into account Thus the reader will be able to implement an archiving project

Securing Electronic Business Processes Sachar Paulus,Norbert Pohlmann,Helmuth Reimer,2013-12-01 The Information Security Solutions Europe Conference ISSE was started in 1999 by EEMA and TeleTrust with the support of the European Commission and the German Federal Ministry of Technology and Economics Today the annual conference is a fixed event in every IT security professional's calendar The aim of ISSE is to support the development of a European information security culture and especially a cross border framework for trustworthy IT applications for citizens industry and administration Therefore it is important to take into consideration both international developments and European regulations and to allow for the interdisciplinary character of the information security field In the five years of its existence ISSE has thus helped shape the profile of this specialist area The integration of security in IT applications was initially driven only by the actual security issues considered important by experts in the field currently however the economic aspects of the corresponding solutions are the most important factor in deciding their success ISSE offers a suitable podium for the discussion of the relationship between these considerations and for the presentation of the practical implementation of concepts with their technical or organisational and economic parameters
