Egypt A Country Study Area Handbook Series:

Egypt, a Country Study Richard F. Nyrop, 1983 General study of Egypt covers history demographic aspects and geographical aspects social structure minority groups religious practices education health the economy agricultural sector agrarian reform industrial sector banking trade government politics international relations military service defence administration of justice includes texts of peace treaties with Israel Bibliography glossary maps organigram photographs statistical tables **Egypt, a Country Study** Helen Chapin Metz, 1991 *National Library of Medicine Current Catalog* National Library of Medicine (U.S.), *Area Handbook Series: Egypt: A Country Study*, 1991 Monthly Catalog of United States Government Publications, 1998 **Current Catalog** National Library of Medicine (U.S.), First multi year cumulation covers six years 1965-70 Index of Administrative Publications United States. Department of the Army, 1979-05 **The Struggle for Egypt** Steven A. Cook, 2013-03-21 A half century ago Egypt under Nasser became the putative leader of the Arab world and a beacon for developing nations Yet in the decades prior to the 2011 revolution it was ruled over by a sclerotic regime plagued by nepotism and corruption During that time its economy declined into near shambles a severely overpopulated Cairo fell into disrepair and it produced scores of violent Islamic extremists In *The Struggle for Egypt* now with a new epilogue on the post Mubarak era noted regional specialist Steven A. Cook provides a sweeping and incisive account of how this parlous state of affairs came to be why the revolution occurred and where Egypt might be headed next From p 4 of cover **Understanding the Contemporary Middle East** Jillian Schwedler, Deborah J. Gerner, 2008 The third edition of *Understanding the Contemporary Middle East* includes two entirely new chapters one on religion and politics and one on the economies of the Middle East as well as a greatly expanded discussion of the 2003 invasion of Iraq In addition all of the chapters have been fully updated Maps photographs and tables of basic political data enhance the text which has already made its place as the best available introduction to the region **Monthly Catalogue, United States Public Documents**, 1984 The Routledge Handbook of Civil-Military Relations Florina Cristiana Matei, Carolyn Halladay, Thomas C. Bruneau, 2021-11-01 This second edition of *The Routledge Handbook of Civil Military Relations* offers a wide ranging internationally focused overview of the field of civil military relations The armed forces are central actors in most societies and are involved in many different roles Amongst other activities they engage in peace operations support the police in fighting crime support civilian authorities in dealing with natural disasters and fight against terrorists and in internal conflicts The existing literature on this subject is limited in its discussion of warfighting and thus does not do justice to the variety of roles This second edition not only fills this important lacuna but offers an up to date comparative analysis and provides a conceptual framework to analyze how strategies can realistically be implemented Amalgamating ideas from key thinkers in the field the book is organized into three main thematic parts Part I Civil Military Relations in Non Democratic States and Illiberal Democracies Part II Civil Military Relations in New Democracies Part III Civil Military Relations in

Established Democracies This handbook will be essential reading for students and practitioners in the fields of civil military relations defense studies war and conflict studies international security and IR in general **The Political Economy of**

Crisis Management and Reform in Egypt Mahmoud Mohieldin, Hanan Amin-Salem, Amira El-Shal, Eman

Moustafa, 2024-08-09 There is a significant discrepancy between the population of Egypt and the GDP of this country This book offers pragmatic policy prescriptions for Egyptian decision makers It provides a path forward and toward a better future for the Egyptian people The country faces challenges with household income social welfare productivity and many other markers of twenty first century economic success even vis vis other developing country peers This book focuses on framing the optimal macroeconomic policy agenda for Egypt in the face of the big global regional and national forces that are being accelerated intensified or changed by the COVID 19 crisis rather than on specific sectoral policy formulations The authors present these big questions in the context of showing how Egypt can best navigate the risks and seize the opportunities of the current period of intense flux and transition to put itself in the best possible position to create prosperity stability and hope for its citizens The authors examine to what extent the Egyptian authorities can fulfill their ambitious development plans and in producing this work to provide useful lessons that can be applied to other governments struggling to respond to the challenges of the age Prison Conditions in Egypt Middle East Watch (Organization), 1992 The first such

report on Egypt by human rights organization including on site inspection and extensive interviews with current inmates Prison conditions in Egypt documents appalling conditions and practices It describes the filth and poor sanitary facilities in living quarters and hospitals tremendous overcrowding and prolonged daily confinement denial of medication attention the use of unauthorized physical violence against inmates and the imposition of particularly harsh living conditions on sentenced security prisoners and security detainees held without charge The report provides a detailed set of recommendations to the Egyptian authorities for improving the current conditions *The African Studies Companion* Hans Zell, 2021-11-15
