

EGYPT: THE PRAETORIAN STATE
by Amos Perlmutter

Egypt The Praetorian State

Arshad

Egypt The Praetorian State:

Egypt Amos Perlmutter, 1974-01-01 This book is a critical analysis of the contemporary and historical roots of a new type of political leadership in Egypt dating from the July 23 1952 revolution led by an idealistic Egyptian nationalist and pan Arabist named Gamal Abdul Nasser The Nasser regime is interpreted as essentially a praetorian political system in which the military has the potential to dominate the political structure with the army as a core group and as a ruling class In such a system political leadership is recruited mainly from the army This volume chronicles the evolution of praetorian regimes in general and then interprets Nasser s ascendancy to power from this perspective The 1956 takeover of the Suez Canal and Nasser s transformation of his 1967 military debacle into a national victory is analyzed as the climax of his career His inability to cement the uncomfortable federation with Syria and the imbroglio over his intervention in Yemen are seen as the beginning of his decline culminating in the disastrous Six Day War and his failure to prevent Hussein s annihilation of the Palestinians in Jordan Nasser s contribution to the new style of politics prevalent in the Arab and sub Saharan African worlds is evaluated Also included is an analysis of the machinations of coup preparing and coup making and comments on the neo Islamic corporate orientations of the post Nasser praetorians Perlmutter s work is unique in its combination of extensive scholarship knowledge of Egyptian politics and familiarity with and ability to use current social science concepts **Egypt The Praetorian State** is the first comprehensive analytic and interpretive study of the Nasserite phenomenon **CONTENTS** Military Praetorianism A New Type of Politics The Historical Context Egypt s Military A Progressive New Middle Class Political Power and Social Cohesion in Nasser s Egypt Experiments in Praetorianism Nasser s Regimes and Political Parties The Persistence of Nasserism The Military vs the ASU **Democratic Backsliding in Post-Mubarak Egypt** Arshad, 2024-09-24 Arshad examines the phenomenon of democratic backsliding in post 2011 Egypt Capturing a critical juncture in Egyptian politics this book explains the failure of Egypt s nascent democratic experiment and its relapse into authoritarianism Egypt is the crucial playbook to understand the reversal of a country towards an authoritarian regime and what measures state and non state actors should employ to prevent backsliding The book is an essential model for understanding democratic backsliding through structural and agential factors The former encompasses society politics economics and the military while the latter deals with the choices and attitudes of the leadership during the political transition Providing crucial insights into what went wrong during the democratic transition process this text acts as a guide to curbing the rise of authoritarian regimes in the face of the next potential revolution The book is a valuable resource for scholars who are interested in democratisation authoritarian regimes military leadership political protests and political leadership *Area Handbook for Egypt* Richard F. Nyrop, 1976 **Historical Dictionary of Egypt** Arthur Goldschmidt, Jr., 2023-07-25 Egypt is the world s oldest continuous country with a recorded past of over 6 000 years Often invaded conquered and occupied by foreign armies Egypt has never lost its identity The Egyptians of today although they have changed their language once and their religion twice descend

mainly from the Egyptians who built the Giza Pyramids and the Temple of Karnak who served Alexander the Great and his heirs who submitted to Augustus Caesar and raised much of the grain that fed the Roman Empire who started Christian monasticism and the veneration of the Virgin Mary and who advanced and sustained Muslim learning in what is now the world's oldest functioning university. It was and is one of the most important countries in the world. Historical Dictionary of Egypt Fifth Edition contains a chronology, an introduction and an extensive bibliography. The dictionary section has more than 600 cross-referenced entries on important personalities as well as aspects of the country's politics, economy, foreign relations, religion and culture. This book is an excellent resource for students, researchers and anyone wanting to know more about Egypt.

A Brief History of Egypt Arthur Goldschmidt, 2008. Chronicles the history of Egyptian politics, economics, social and cultural developments from ancient times to the present.

State formation and the structure of politics in Mamluk Syro-Egypt, 648-741 A.H./1250-1340 C.E. Winslow Williams Clifford, 2013-02-19. Winslow Williams Clifford is one of the few historians so far who have addressed the history and culture of the so-called Mamluk Sultanate 1250-1517 on the basis of theoretical models. This volume is a posthumous publication of his doctoral thesis submitted in 1995 at the University of Chicago. Through his skillful application of social theory, Clifford succeeded in providing highly convincing evidence that the Mamluk Sultanate did not, as was maintained for a long time, constitute a static form of oriental despotism but was rather a highly differentiated society. It was primarily based on compliance with a complex system of order that had established itself during the rule of the first sultans.

Continuity and change before and after the Arab uprisings Paola Rivetti, Rosita Di Peri, 2017-10-02. The Arab uprisings of 2011 have sparked much scholarly discussion with regards to democratisation, the resilience of authoritarian rule, mobilisation patterns and the relationship between secularism and Islam, all under the assumption that politics has changed for good in North Africa and the Middle East. While acknowledging the post-2011 transformations taking place in the region, this book brings to the forefront an understudied yet crucial aspect related to the uprisings: namely, the interplay between continuity and change. Challenging simplified representations built around the positions that either all has changed or nothing has changed, the in-depth case studies in this volume demonstrate how elements both of continuity and rupture with the past are present in the post-uprising landscapes of Morocco, Tunisia and Egypt. Public policy, contentious politics, the process of institution making and re-making and the relations of power connecting national and international economies are at the core of the comparative investigations included in the book. The volume makes an important contribution to the study of North African politics and to the study of political change and stability by contrasting the different trajectories of the uprisings and by offering theoretical reflections on their meaning, consequences and scope. This book was originally published as a special issue of the British Journal of Middle Eastern Studies.

Routledge Handbook of the Arab Spring Larbi Sadiki, 2014-12-17. The self-immolation of Mohammed Bouazizi in Tunisia in December 2010 heralded the arrival of the Arab Spring, a startling yet not unprecedented era of profound social and political

upheaval The meme of the Arab Spring is characterised by bottom up change or the lack thereof and its effects are still unfurling today The Routledge Handbook of the Arab Spring seeks to provide a departure point for ongoing discussion of a fluid phenomenon on a plethora of topics including Contexts and contests of democratisation The sweep of the Arab Spring Egypt Women and the Arab Spring Agents of change and the technology of protest Impact of the Arab Spring in the wider Middle East and further afield Collating a wide array of viewpoints specialisms biases and degrees of proximity and distance from events that shook the Arab world to its core the Handbook is written with the reader in mind to provide students practitioners diplomats policy makers and lay readers with contextualization and knowledge and to set the stage for further discussion of the Arab Spring

Political Roles and Military Rulers Amos Perlmutter, 2014-04-23 This book represents three decades of Perlmutter's experiences and observations The author studies the relationship between the military and politics in Middle East focusing mainly on Egypt as a case study He concludes by analysing the effect this internal relationship has on military performance

Ruling But Not Governing Steven A. Cook, 2007-05-01 Ruling But Not Governing highlights the critical role that the military plays in the stability of the Egyptian Algerian and until recently Turkish political systems This in depth study demonstrates that while the soldiers and materiel of Middle Eastern militaries form the obvious outer perimeter of regime protection it is actually the less apparent multilayered institutional legacies of military domination that play the decisive role in regime maintenance Steven A Cook uncovers the complex and nuanced character of the military's interest in maintaining a facade of democracy He explores how an authoritarian elite hijack seemingly democratic practices such as elections multiparty politics and a relatively freer press as part of a strategy to ensure the durability of authoritarian systems Using Turkey's recent reforms as a point of departure the study also explores ways external political actors can improve the likelihood of political change in Egypt and Algeria Ruling But Not Governing provides valuable insight into the political dynamics that perpetuate authoritarian regimes and offers novel ways to promote democratic change

The History of Egypt Glenn E. Perry, 2015-12-01 Providing a valuable resource for readers seeking information on all periods of Egyptian history this book covers Egypt starting from ancient times and continuing through the medieval Islamic period to focus on the events of the last 100 years including the aborted revolution of 2011 Egypt has experienced tumultuous events in recent years especially starting with the uprisings and revolution of 2011 This second edition of The History of Egypt not only provides readers with in depth information on events of the last decade such as the Arab Spring the removal of Hosni Mubarak from office and the protests against Mohamed Morsi's presidency but also provides key background with chapters addressing previous periods of the country's history starting from pre Islamic times to pharaonic to Byzantine The volume offers an objective history of Egypt that is uniquely appropriate for a high school audience This expanded and extensively updated second edition provides new content and media photographs that help bring recent events to life for readers without previous knowledge about the topic It also includes coverage of important events in long ago Egyptian history that lends

valuable perspective to events in the 21st century such the nation's transformation into a Muslim and Arab country and Egypt's post 1778 imperialism and modernization through World War I **Revolutionary Egypt** Reem

Abou-El-Fadl, 2015-06-05 In 2011 the world watched as Egyptians rose up against a dictator. Observers marveled at this sudden rupture and honed in on the heroes of Tahrir Square. *Revolutionary Egypt* analyzes this tumultuous period from multiple perspectives bringing together experts on the Middle East from disciplines as diverse as political economy, comparative politics and social anthropology. Drawing on primary research conducted in Egypt and across the world, this book analyzes the foundations and future of Egypt's revolution. Considering the revolution as a process, it looks back over decades of popular resistance to state practices and predicts the waves still to come. It also confidently places Egypt's revolutionary process in its regional and international contexts, considering popular contestation of foreign policy trends as well as the reactions of external actors. It draws connections between Egyptians' struggles against domestic despotism and their reactions to regional and international processes such as economic liberalization, Euro American interventionism and similar struggles further afield. *Revolutionary Egypt* is an essential resource for scholars and students of social movements and revolution, comparative politics and Middle East politics in particular, Middle East foreign policy and international relations.

Nasser's Blessed Movement Joel Gordon, 1992-01-09 This book examines a key period in the formation of modern Egypt: the early years of military rule following the coup of 1952. The Free Officers, a secret organization of junior officers, overthrew Egypt's parliamentary regime in July 1952 and over the next few years consolidated their rule brutally, suppressing alternative political movements. Gamal Abdel Nasser, one of the young officers, emerged as the leader of the military junta and launched an ambitious program for economic development, making Egypt a leader in Arab, African and non-aligned politics as well as a model for political mobilization and national development throughout the Third World. Focusing on the goals, programs, successes and failures of the young regime, Gordon provides the most comprehensive account of the Egyptian revolution to date. Besides bringing to light newly opened American and British sources on the period, Gordon's book is also informed by interviews he conducted with a number of actors and observers of the events.

[Gramsci on Tahrir](#) Brecht De Smet, 2016-01-20 Coming in the wake of intense political and academic debate on the nature and development of the Arab Uprisings, *Gramsci on Tahrir* zeroes in on the complex dynamic of Egypt's revolution and counter-revolution. It shows how a Gramscian understanding of the revolutionary process provides a powerful instrument for charting the possibilities for an emancipatory project by the Egyptian subaltern classes. Central to De Smet's argument is Gramsci's interpretation of Caesarism: an occasion in which two evenly matched political opponents reach a potentially catastrophic stalemate such that an interplay between these forces can only end in mutual destruction. In applying this to the Egyptian revolution, we see how the Egyptian state was bereft of strong hegemonies and the people were replete with capable counter-hegemonies. Through this analysis, we can see how the current situation in Egypt demonstrates how both national histories

and global power relations enable define and displace popular resistance and social transformation *Syria and Iran* Anoushiravan Ehteshami, Raymond A. Hinnebusch, 2002-01-31 The experienced authors provide an innovative study of Iranian and Syrian foreign policy showing how the policies can be understood through the realist and rational actor frameworks **Socio-Political Order and Security in the Arab World** Andreas Krieg, 2017-03-27 This book examines the connection between socio politics and security in the Arab World In an effort to understand the social and political developments that have been on going in the Arab World since the 1990s culminating in the Arab Spring Krieg moves beyond liberal deterministic assumptions most notably that the promotion of liberal values and democracy are the panacea for the structural problems of the region Instead this text advances the case that grievances related to individual security needs are at the heart of regional insecurity and instability Looking towards the future the author asserts that regimes can only be resilient if they are able to provide for individual security inclusively When regimes fail to cater for public security they might be replaced by alternative non state security providers Faith- Based Diplomacy Trumping Realpolitik Douglas Johnston, 2008-06-02 For most of the twentieth century the most critical concerns of national security have been balance of power politics and the global arms race The religious conflicts of this era and the motives behind them however demand a radical break with this tradition If the United States is to prevail in its long term contest with extremist Islam it will need to re examine old assumptions expand the scope of its thinking to include religion and other irrational factors and be willing to depart from past practice This book looks at five intractable conflicts and explores the possibility of drawing on religion as a force for peace The world class authors writing in this volume suggest how the peacemaking tenets of five major world religions can be strategically applied in ongoing conflicts in which those religions are involved *A Dialectical Pedagogy of Revolt* Brecht De Smet, 2015-01-27 In *A Dialectical Pedagogy of Revolt* Brecht De Smet offers an intellectual dialogue between the political theory of Italian Marxist Antonio Gramsci and the cultural psychology of Soviet thinker Lev Vygotsky within the framework of the Egyptian 25 January Revolution Their encounter affirms the enduring need for a coherent theory of the revolutionary subject in the era of global capitalism based on a political pedagogy of subaltern hegemony solidarity and reciprocal education Investigating the political and economic lineages and outcomes of the mass uprising of Tahrir Square De Smet discusses the emancipatory achievements and hegemonic failures of the Egyptian workers and civil democratic movements from the perspective of their in ability to construct a genuine dialectical pedagogy Creating Military Power Risa Brooks, 2007-04-09 *Creating Military Power* examines how societies cultures political structures and the global environment affect countries military organizations Unlike most analyses of countries military power which focus on material and basic resources such as the size of populations technological and industrial base and GNP this volume takes a more expansive view The study s overarching argument is that states global environments and the particularities of their cultures social structures and political institutions often affect how they organize and prepare for war and ultimately impact their

effectiveness in battle The creation of military power is only partially dependent on states basic material and human assets Wealth technology and human capital certainly matter for a country s ability to create military power but equally important are the ways a state uses those resources and this often depends on the political and social environment in which military activity takes place

Constitutionalism in Islamic Countries: Between Upheaval and Continuity Rainer Grote,Tilman Röder,2012-01-11

Constitutionalism in Islamic Countries Between Upheaval and Continuity examines the question of whether something similar to an Islamic constitutionalism has emerged out of the political and constitutional upheaval witnessed in many parts of North Africa the Middle East and Central and Southern Asia In order to identify its defining features and to assess the challenges that Islamic constitutionalism poses to established concepts of constitutionalism this book offers an integrated analysis of the complex frameworks in Islamic countries drawing on the methods and insights of comparative constitutional law Islamic law international law and legal history European and North American experiences are used as points of reference against which the peculiar challenges and the specific answers given to those challenges in the countries surveyed can be assessed The book also examines ways in which the key concepts of constitutionalism including fundamental rights separation of powers democracy and rule of law may be adapted to an Islamic context thus providing valuable new insights on the prospects for a genuine renaissance of constitutionalism in the Islamic world in the wake of the Arab spring

Decoding **Egypt The Praetorian State**: Revealing the Captivating Potential of Verbal Expression

In a period characterized by interconnectedness and an insatiable thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force. Its ability to evoke sentiments, stimulate introspection, and incite profound transformations is genuinely awe-inspiring. Within the pages of "**Egypt The Praetorian State**," a mesmerizing literary creation penned with a celebrated wordsmith, readers set about an enlightening odyssey, unraveling the intricate significance of language and its enduring impact on our lives. In this appraisal, we shall explore the book's central themes, evaluate its distinctive writing style, and gauge its pervasive influence on the hearts and minds of its readership.

Egypt The Praetorian State Introduction

Egypt The Praetorian State Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Egypt The Praetorian State Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Egypt The Praetorian State : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Egypt The Praetorian State : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Egypt The Praetorian State Offers a diverse range of free eBooks across various genres. Egypt The Praetorian State Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Egypt The Praetorian State Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Egypt The Praetorian State, especially related to Egypt The Praetorian State, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Egypt The Praetorian State, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Egypt The Praetorian State books or magazines might include. Look for these in online stores or libraries. Remember that while Egypt The Praetorian State, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Egypt The Praetorian State eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Egypt The Praetorian State full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Egypt The Praetorian State eBooks, including some popular titles.

FAQs About Egypt The Praetorian State Books

What is a Egypt The Praetorian State PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Egypt The Praetorian State PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Egypt The Praetorian State PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Egypt The Praetorian State PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Egypt The Praetorian State PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
