His Story Jeffrey L. Walling, 2017-11-14 There is an ongoing battle in regard to the authenticity of God's Word raging in our homes and communities not between science and the Bible but rather between humanistic atheistic theology and Christianity This publication seeks to cover the gambit of historical and scientific evidence from A to Z that could be used as a textbook for Christian educators Our churches are not teaching this in their Sunday schools Christian schools and homeschoolers are not getting this on chalkboards Parents don't have the resources or tools to prepare and protect their teenagers heading into secular high schools and colleges from the onslaught of anti-Christ teachings The scripture says in Hosea 4:6 My people are destroyed for lack of knowledge because thou hast rejected knowledge I will also reject thee that thou shalt be no priest to me seeing thou hast forgotten the law of thy God I will also forget thy children As an added benefit students going into high school reading this book who have not decided what field of study they are interested in will get an opportunity to be exposed to several areas of interest Fields of study that include geology literary analysis genomics anthropology archaeology paleontology zoology meteorology genealogy astronomy earth sciences evolution and biblical studies are all interrogated to a significant depth **New Approaches to Ezra Pound** Eva Hesse, 2024-03-29 Great advances are currently being made in the understanding of Pound's lifework Many of the essays in this book the majority are published here for the first time disclose hitherto unsuspected aspects of the poet's beliefs while others are studies in depth of areas of his work which although frequently discussed have never before been properly examined Seldom in fact have so many pioneering studies been assembled between the covers of a single volume The various contributors are eminently qualified to treat the specific ideas and interests of Pound's about which they write and the book as a coordinated whole comprehensively covers his and our artistic culture Eminent scholars and critics from five different countries have come together in this attempt to unscrew the inscrutable Richard Ellmann Leslie Fiedler Forrest Read N Christoph de Nagy Walter Baumann Guy Davenport J P Sullivan John Espey Donal Davie George Dekker Boris de Rachewiltz Albert Cook Hugh Kenner Christine Broke Rose Eva Hesse well known here and in Germany as a critic and translator establishes the interrelationships between the various fields of study and examines some of Pound's key concepts from the aspect of the

incarceration in Washington after the Second World War were to have served as a Paradiso for his epic Beautiful and tormented enigmatic and irascible by turns they express the poet's struggle to reconcile his striving for justice with his extreme Right politics In heavily coded language Pound was writing activist political poetry Through an in depth reading of the Washington Cantos this book reveals the ways in which Pound integrated into his verse themes and ideas that remain central to American far right ideology to this day States Rights White supremacy and racial segregation the usurpation of the Constitution by the Supreme Court and history as racial struggle Pound's struggle was also personal These poems also celebrate his passion for his muse and lover Sheri Martinelli as he tries to teach her his politics and in the final poems mount his legal defence against the unresolved treason charges hanging over his head Reading the poetry alongside correspondence and unpublished archival writings Ezra Pound's Washington Cantos and the Struggle for Light is an important new work on a poet who stands at the heart of 20th century Modernism Building on his previous book John Kasper and Ezra Pound Saving the Republic Bloomsbury 2015 Alec Marsh explores the way the political ideas revealed in Pound's correspondence manifested themselves in his later poetry
