Ei Nei Do You Remembah:

Einei Hashem Meir Wikler,1997 **Einei Yisroel** Rabbi Yisroel Belsky,2008 Brilliant Groundbreaking Piercing analysis by one of the great minds of our generation Rabbi Belsky examines the lessons of Sefer Devarim through the lens of his extraordinary vast knowledge of the length and breadth of Torah thought as well as the secular sciences and disciplines The result is unique refreshing and invigorating for the mind and soul A Torah gem of rare value Victoria Ward and the Gilded Age of the Hawaiian Kingdom Joy Ogawa,2024-01-05 1889 Iolani Palace O ahu The majestic Hawaiian Kingdom teeters on the brink of oblivion At its heart stands Victoria Ward a woman of royal Hawaiian blood bound by her lineage and duty Armed with vast lands ancient cultural rituals and the unwavering loyalty of her villagers she becomes the beacon of hope for a nation under threat But as the sands of time flow will Victoria s efforts prove enough to salvage the once glorious realm she cherishes Her legacy echoes through generations influencing descendants who remain fiercely devoted to their roots Decades later an invaluable treasure left behind by Victoria is discovered by her kin Could this discovery be the key to resurrecting the splendor of the Gilded Age of the Hawaiian Kingdom Join the journey across eras where history and destiny intertwine and the past might just shape the future **Small Press Record of Books in Print** Len Fulton,1991

Remembering Our Intimacies Jamaica Heolimeleikalani Osorio,2021-09-28 Recovering K naka Maoli Native Hawaiian relationality and belonging in the land memory and body of Native Hawai i Hawaiian aloha ina is often described in Western political terms nationalism nationhood even patriotism In Remembering Our Intimacies Jamaica Heolimeleikalani Osorio centers in on the personal and embodied articulations of aloha ina to detangle it from the effects of colonialism and occupation Working at the intersections of Hawaiian knowledge Indigenous queer theory and Indigenous feminisms Remembering Our Intimacies seeks to recuperate Native Hawaiian concepts and ethics around relationality desire and belonging firmly grounded in the land memory and the body of Native Hawai i Remembering Our Intimacies argues for the methodology of re membering Indigenous forms of intimacies It does so through the metaphor of a upena a net of intimacies that incorporates the variety of relationships that exist for K naka Maoli It uses a close reading of the mo olelo history and literature of Hi iakaikapoliopole to provide context and interpretation of Hawaiian intimacy and desire by describing its significance in K naka Maoli epistemology and why this matters profoundly for Hawaiian and other Indigenous futures Offering a new approach to understanding one of Native Hawaiians most significant values Remembering Our Intimacies reveals the relationships between the policing of Indigenous bodies intimacies and desires the disembodiment of Indigenous modes of governance and the ongoing and ensuing displacement of Indigenous people House of Many Gods Kiana Davenport,2008-09-30 From Kiana Davenport the bestselling author of Song of the Exile and Shark Dialogues comes another mesmerizing novel about her people and her islands Told in spellbinding and mythic prose House of Many Gods is a deeply complex and provocative love story set against the background of Hawaii and Russia Interwoven throughout with the

indelible portrait of a native Hawaiian family struggling against poverty drug wars and the increasing military occupation of their sacred lands Progressing from the 1960s to the turbulent present the novel begins on the island of Oahu and centers on Ana abandoned by her mother as a child Raised by her extended family on the lawless Wai anae coast west of Honolulu Ana against all odds becomes a physician While tending victims of Hurricane Iniki on the neighboring island of Kauai she meets Nikolai a Russian filmmaker with a violent and tragic past who can confront reality only through his unique prism of lies Yet he is dedicated to recording the ecological horrors in his motherland and across the Pacific As their lives slowly and inextricably intertwine Ana and Nikolai's story becomes an odyssey that spans decades and sweeps the reader from rural Hawaii to the forbidding Arctic wastes of Russia from the poverty stricken Wai anae coast to the glittering harshness of new Moscow and the haunting faded beauty of St Petersburg With stunning narrative inventiveness Davenport has created a timeless epic of loss and remembrance of the search for family and identity and ultimately of the redemptive power of love

Terrorists as Monsters Marco Pinfari,2019 From the chilling threats of the ISIS vampire to the view of al Qaeda as the Frankenstein the CIA created terrorism seems to be inextricably bound with monstrosity But why do the media and government officials often portray terrorists as monsters And perhaps more puzzling why do terrorists sometimes want to be perceived as such This book the first of its kind examines the use of archetypal metaphors of monstrosity in relation to terrorism from the gorgons of Robespierre's reign of terror to the dragons and lycanthropes of anarchism the beasts and blood licking demons of ethnonational terrorism and the hydras and Frankenstein's monsters of Islamic jihadism Marco Pinfari argues that politicians frame terrorists as unmanageable monsters not only in an effort at cultural othering and dehumanization but also to secure popular backing for rule breaking behavior in counter terrorism The book also explores the way that terrorists themselves impersonate monsters showing that several groups have pursued such a tactic throughout the history of terrorism It contributes to a number of ongoing public debates by highlighting how even when actors like the Islamic State present themselves as mad and irrational their tactics remain in essence rational Pinfari also provides an original historical outlook on the roots of monster metaphors and discusses several types of terrorism including state terrorism left wing terrorism anarchism ethnonationalist terrorism and white supremacist groups In unpacking the functions played by monster metaphors and by their impersonation Terrorists as Monsters helps the reader understand the political processes that hide behind the fangs

complicated relationships between three outcasts Kerewin an artist estranged from her family and art a mute boy called Simon who tries to steal from her and his tender but brutal foster father Joe *Hawaiian Dictionary* Mary Kawena Pukui, Samuel H. Elbert, 1986-03-01 For many years Hawaiian Dictionary has been the definitive and authoritative work on the Hawaiian language Now this indispensable reference volume has been enlarged and completely revised More than 3 000 new entries have been added to the Hawaiian English section bringing the total number of entries to almost 30 000 and making it the largest and most complete of any Polynesian dictionary Other additions and changes in this section include a method of showing stress groups to facilitate pronunciation of Hawaiian words with more than three syllables indications of parts of speech current scientific names of plants use of metric measurements additional reconstructions classical origins of loan words and many added cross references to enhance understanding of the numerous nuances of Hawaiian words The English Hawaiian section a complement and supplement to the Hawaiian English section contains more than 12 500 entries and can serve as an index to hidden riches in the Hawaiian language This new edition is more than a dictionary Containing folklore poetry and ethnology it will benefit Hawaiian studies for years to come Siddur Sha'ar Zahav Sha'ar Zahav, 2009-01-01 Congregation Sha ar Zahav s first siddur appeared in 1982 It was revised in 1994 and again in 2000 The richness of this siddur like the Sha ar Zahav community is rooted in its integration of Jewish tradition with egalitarian feminist and LGBTQ positive ideas and language With this edition we have sought to continue and expand the Sha ar Zahav tradition of creating liturgy that reflects who we are The compilers of the 2000 edition wrote A Jewish prayer book which had nothing in common with the traditional siddur would lack the wealth of history which connects our worship with Jewish practice around the world and over the centuries On the other hand many of us are uncomfortable with some of the imagery and language found in the prayer books of the major Jewish denominations in the United States With this prayer book we have attempted to capture the spirit of Jewish liturgy while avoiding the objectionable elements When Congregation Sha ar Zahav was founded in 1977 only a handful of synagogues offered full acceptance to bisexual transgender lesbian gay and queer identified Jews From the outset Sha ar Zahav has been a community that is open to all Sha ar Zahav is affiliated with the Union for Reform Judaism URJ and this siddur reflects many of the innovations of the Reform movement as well as the URJ s commitment to an evolving liturgical tradition The members of Congregation Sha ar Zahav the authors of most of the new material in this siddur come from many varied backgrounds movements affiliations traditions and practices Some identify with Ashkenazi Sephardi or Mizrahi traditions Some were born into Jewish families while some chose Judaism We are young and old and every age in between We have sought to reflect both our shared traditions and our differences in our liturgy In order to create a spiritual home for all who choose to enter our gates and in order to develop a siddur which will continue to resonate with the congregation and reflect our community s diversity we have tried to cast a wide liturgical net We have drawn from the traditions we have been handed we have sought out sources that have been hidden and we have

tapped the creative gifts of our own community In this edition we have been mindful of and have sought to expand the principles which have distinguished this siddur in the past using non sexist language when referring to both people and God restoring visibility to women throughout Jewish tradition speaking directly to the experience of lesbian gay bisexual transgender and queer identified people understanding the concept of Jewish chosenness as uniqueness envisioning the Messianic time as the fulfillment of tikkun olam the repair of the world and seeing ourselves as participants in the holy work of repair Siddur Sha ar Zahav includes alternative English versions of prayers and alternative Hebrew and Aramaic so that our values can be reflected in all of our languages of prayer Because of the gravity of altering wording that may be hundreds of years old we spent considerable time developing guidelines for Hebrew prayers In keeping with the Sha ar Zahav tradition we decided not to remove customary versions of prayers but to add new versions alongside them We did not alter any passages taken from the Torah except to ensure gender inclusivity which is noted in the text Nor did we alter prayers such as the Mourners Kaddish which serve so powerfully to connect us to the Jewish people across time and space Where we did create new Hebrew versions we followed a set of principles which are discussed in the appendices Siddur Sha ar Zahav endeavors to respect the varied and at times contradictory sensibilities of our people and our congregation Our goal is for all of us progressive Jews within the Reform movement s umbrella regardless of gender identity or sexual orientation to see ourselves reflected in our liturgy so that none of us experience the invisibility and exclusion we have historically encountered Our prayer book attempts to embody the teaching that each of us is created b tzelem Elohim in the image of God While we know that not every reading will speak to each of us we hope that in these pages all of us will find a point of departure for prayer and for dialogue with the Source of creation
