*The Impressionists at First Hand (Second) (World of Art)* Bernard Denvir, 2023-11-14 An updated edition of this classic collection of letters, critical reviews, and reminiscences by Impressionist artists and their contemporaries. The Impressionists: Claude Monet, J.M.W. Turner, Edgar Degas, Berthe Morisot, Camille Pissarro, Pierre-Auguste Renoir, Alfred Sisley, and others are probably the most popular of all artistic schools. Their struggle to impose a new vision is one of the most absorbing stories in the whole history of art. With imagination and insight, art historian Bernard Denvir brings Impressionism into focus by showing it through the eyes of the artists themselves and their contemporaries against the background of the time. Through letters, critical reviews, statements, and reminiscences of the people who were there, the story of this groundbreaking art movement comes alive. This was the age of innovation, political liberalization, emergent photography, and modern ideas about perception. The Impressionists had new ways of painting, but they also had a new world to paint. This revised edition now features full-color reproductions of art throughout and an updated bibliography.

**Impressionist painting: its genesis and development** Wynford Dewhurst, 2023-07-10 In *Impressionist Painting: Its Genesis and Development*, Wynford Dewhurst offers a meticulously researched exploration of the birth and evolution of the Impressionist movement, which forever altered the landscape of art. Through a detailed yet accessible narrative, Dewhurst examines the socio-political backdrop of the late 19th century and delves into the techniques that defined Impressionist painters such as Monet and Renoir. The book synthesizes critical analysis with vivid descriptions, allowing readers to appreciate how color, light, and brushstroke merged to create a new aesthetic sensibility that challenged traditional norms in art. Wynford Dewhurst, an accomplished painter and art critic himself, possessed a profound connection to the subjects he discusses. His firsthand experience with artistic techniques and his immersion in the art community afforded him a unique lens through which to observe the tumultuous interactions between Impressionist artists and the conventional art world of their time. Dewhurst's insightful perspective is not only rooted in a scholarly approach but also nourished by his own artistic pursuits and passions. This book is not only an essential read for art historians and enthusiasts but also a valuable resource for anyone seeking to understand the transformative impact of Impressionism on modern art. Dewhurst's eloquent writing and rich visual examples invite readers to engage with the pieces on a deeper level, making it an indispensable guide to one of art's most revolutionary movements.
