Edward Gordon Henry:

Edward, Gordon and Henry ,1990 **Tte - Edward, Gordon Henry** Egmont Books, Limited,2001-04 **Edward, Gordon and Henry, Gordon Off the Rails (cass + Book).** W. Awdry, **A Strange Eventful History** Michael Holroyd,2009-03-03 One of the greatest literary biographers turns his keen observation and humane insight on an ensemble cast a remarkable dynasty that presided over the golden age of theater Ellen Terry George Bernard Shaw and Henry Irving

Ellen Terry, Player in Her Time Nina Auerbach,1997-01-29 Nina Auerbach brilliantly reveals the Ellen Terry whose roles on stage and off embodied everything that a rapidly changing world exhorted women to be *Edward, Gordon & Henry AND Gordon Off the Rails; Based on The Railway Series* W. Awdry,1985 *Beyond Text* Jennifer Buckley,2019-10-09 Taking up the work of prominent theater and performance artists *Beyond Text* reveals the audacity and beauty of avant garde performance in print With extended analyses of the works of Edward Gordon Craig German expressionist Lothar Schreyer the Living Theatre Carolee Schneemann and Guillermo G mez Pe a the book shows how live performance and print aesthetically revived one another during a period in which both were supposed to be in a state of terminal cultural decline While the European and American avant gardes did indeed dismiss the dramatic author they also adopted print as a theatrical medium altering the status form and function of text and image in ways that continue to impact both the performing arts and the book arts *Beyond Text* participates in the ongoing critical effort to unsettle conventional historical and theoretical accounts of text performance relations which have too often been figured in binary chronological from page to stage or hierarchical terms Across five case studies spanning twelve decades *Beyond Text* demonstrates that print as noun and verb has been integral to the practices of modern and contemporary theater and performance artists The Peerage, Baronetage and Knightage of Great Britain and Ireland ,1860 *The Navy List* ,1918 *History of the 12th Service Battalion, York & Lancaster Regiment* Richard A. Sparling,1920 **The Thomas the Tank Engine Man** Brian Sibley,2015-07-17 The stories of Thomas the Tank Engine and his friends have delighted generations of children and adults but what do we know of the man who created them A devoted pastor and family man the Reverend W Awdry first started telling the stories in order to amuse his own children with no idea that the characters would lead to a global phenomenon that now seventy years after their first appearance shows no signs of waning In this fascinating and warm biography prolific author Brian Sibley brings to life one of the most eminent children s writers of the twentieth century tracing his story from his Edwardian childhood through his time at University and into World War 2 A convinced pacifist Awdry was thrown out of one curacy and denied another because of his beliefs Never afraid to fight for what he thought was right he argued with his publishers and his illustrators demanding the best for his favourite creations the trains and their friends **The Cambridge Introduction to Theatre Directing** Christopher Innes,Maria Shevtsova,2013-05-02 This Introduction is an exciting journey through the different styles of theatre that twentieth century and contemporary directors have created It discusses artistic

and political values rehearsal methods and the diverging relationships with actors designers other collaborators and audiences and treatment of dramatic material Offering a compelling analysis of theatrical practice Christopher Innes and Maria Shevtsova explore the different rehearsal and staging principles and methods of such earlier groundbreaking figures as Stanislavsky Meyerhold and Brecht revising standard perspectives on their work The authors analyse as well a diverse range of innovative contemporary directors including Ariane Mnouchkine Elizabeth LeCompte Peter Sellars Robert Wilson Thomas Ostermeier and Oskar Korunovas among many others While tracing the different roots of directorial practices across time and space and discussing their artistic cultural and political significance the authors provide key examples of the major directorial approaches and reveal comprehensive patterns in the craft of directing and the influence and collaborative relationships of directors *The London Gazette* ,1914 Register of Commissioned and Warrant Officers of the United States Navy and Reserve Officers on Active Duty United States. Navy,1985-10 **Register of the Commissioned and Warrant Officers of the United States Navy and Marine Corps and Reserve Officers on Active Duty** ,1985 Boy Culture Shirley R. Steinberg,Michael Kehler,Lindsay Cornish,2010-06-17 In this two volume set a series of expert contributors look at what it means to be a boy growing up in North America with entries covering everything from toys and games friends and family and psychological and social development *Boy Culture An Encyclopedia* spans the breadth of the country and the full scope of a pivotal growing up time to show what a boy's life is really like today With hundreds of entries across two volumes it offers a series of vivid snapshots of boys of all kinds and ages at home school and at play interacting with family or knocking around with friends or pursuing interests alone as they begin their journey to adulthood *Boy Culture* shows an uncanny understanding of just how exciting confusing and difficult the years between childhood and young adulthood can be The toys games clothes music sports and feelings they are all a part of this remarkable resource But most important is the book's focus on the things that shape boyhood identities the rituals of masculinity among friends the enduring conflict between fitting in and standing out the effects of pop culture images and the influence of role models from parents and teachers to athletes and entertainers to fictional characters **Celebrating Shakespeare** Clara Calvo,Coppélia Kahn,2015-11-19 On the 400th anniversary of Shakespeare's death this collection opens up the social practices of commemoration to new research and analysis An international team of leading scholars explores a broad spectrum of celebrations showing how key events such as the Easter Rising in Ireland the Second Vatican Council of 1964 and the Great Exhibition of 1851 drew on Shakespeare to express political agendas In the USA commemoration in 1864 counted on him to symbolise unity transcending the Civil War while the First World War pulled the 1916 anniversary celebration into the war effort enlisting Shakespeare as patriotic poet The essays also consider how the dream of Shakespeare as a rural poet took shape in gardens how cartoons challenged the poet's elite status and how statues of him mutated into advertisements for gin and Disney cartoons Richly varied illustrations supplement these case studies of the diverse complex and contradictory aims

of memorialising Shakespeare

Persons William E. Gruber, 2011-04-01 In the hands of the twentieth century s most innovative dramatists characters have revealed their identities on stage in a variety of unconventional ways they speak with electronic voices or engage in solipsistic monologues they are lost in self conscious third person forms of communicating or are expressed simply as movement sound and decor Missing Persons is a study of character and its representation on the modern stage Within broad literary contexts William E Gruber addresses specific questions about the dramatis personae of the playwrights Gordon Craig Bertolt Brecht Samuel Beckett Thomas Bernhard and Maria Fomes Among the questions Gruber considers are why mechanical actors or the abrupt dislocations of oriental acting styles meant so much to dramatists as different as Brecht and Craig why figures in Beckett s late plays are so often flat schematized heraldic and why such contemporary dramatists as Fomes and Bernhard share a profound fascination with the mechanics of theatrical representation quoting reciting reproducing or impersonating an absent text The figures who move across these stages are frail contradictory occasionally mutilated or even dismembered They are grim reminders says Gruber that the individual s place in the world is not as secure or as central as we imagine it once was Yet character Gruber argues remains for these authors a crucial element of drama even if it is more fragile more ghostly more enigmatic than ever before The study of character as a crucial component of drama has been neglected for much of this century Missing Persons attempts to restore character to the current discourse by developing a vocabulary for discussing it in plays in which conventional terms seem insufficient or irrelevant Drawing on evidence from five dramatists whose work has long been considered antagonistic toward character as the term has typically been understood Gruber maintains that modern drama is never anticharacter even when it is most aggressively antirealist and suggests that character remains a defining ideal throughout the modern and postmodern period especially among dramatists who seem deliberately to have forsaken it **Theatre and Time** David Wiles, 2014-09-22 This fascinating

account of the relationship between theatre and time explores how different concepts of time including linear clock time the cyclical time of the planets and seasons the rhythms of the body and individual memories have impacted on and been reinforced by theatre throughout history from medieval times to the present day
