

Historical Context (1983 Washington Meeting)

"For stochastic effects in members of the public, the Commission recommends that the committed effective dose equivalent from exposure to radioactive materials in any year be limited to 5 mSv, and, for repeated exposure [to radioactive materials] over prolonged periods, that it would be prudent further to restrict this to 1 mSv from each year of lifelong exposure."

Nuttall V. Greer ,1984 **California. Court of Appeal (2nd Appellate District). Records and Briefs** California (State)., Race, Redistricting, and Representation David T. Canon,2024-05-31 Since the creation of minority dominated congressional districts eight years ago the Supreme Court has condemned the move as akin to political apartheid while many African American leaders argue that such districts are required for authentic representation In the most comprehensive treatment of the subject to date David Canon shows that the unintended consequences of black majority districts actually contradict the common wisdom that whites will not be adequately represented in these areas Not only do black candidates need white votes to win but this crucial swing vote often decides the race And once elected even the black members who appeal primarily to black voters usually do a better job than white members of walking the racial tightrope balancing the needs of their diverse constituents Ultimately Canon contends minority districting is good for the country as a whole These districts not only give African Americans a greater voice in the political process they promote a politics of commonality a biracial politics rather than a politics of difference **Energy Abstracts for Policy Analysis** ,1984 Survey of Current Business ,1987 Federal Register ,1988-11
