Essays on food and language from the Proceedings of the Oxford Symposium on Food and Cooking 2009 The Square: Savoury Philip Howard, 2017-10-12 There are some books we publish which from the outset you know are going to be special This was true of this exciting book from Philip Howard a collection of recipes from his restaurant The Square We knew we wouldn't be able to do the recipes justice in one volume so it became two a first volume Savoury followed by Sweet We knew we couldn't limit it to the conventional two pages per recipe and food photo so they each became either 4 or 6 pages We knew we couldn't illustrate anything less than every one of those recipes so one of the world's finest food photographers Jean Cazals did just that And yet these measures are only a small part of why this book is so special It is special because it represents a collection of recipes from 21 years of one of the country's finest and most consistently fine restaurants Special because the chef who has been at the helm of that restaurant for all of those years is recognised as one of the very best of his generation But most of all it is special because that chef has that rare ability to translate a genius in the restaurant kitchen into the words of a book This was evident from the day we received the first written recipe and with it Phil's fiercely intelligent vision for how the book and every recipe within it should be structured It is also manifest in the dozen or so essays that weave throughout that show a profound consideration and passion for every aspect of his craft and industry This is a landmark publication and has become a must have book for every chef and for every serious foodie It can't fail to impress and inspire anyone with a desire for cooking and a thirst for food knowledge It is nothing less than an incredible achievement and a book of truly unbounded culinary ambition Londoners' Larder Annette Hope, 2011-11-18 In a vivid panorama Londoner's Larder presents the food of a great city Annette Hope has used biography literature and social history to explore the city of Chaucer Shakespeare Pepys Johnson Dickens Wilde and Virginia Woolf and to show in lively detail what these writers and their contemporaries might have eaten where the food came from and how it was cooked She looks at problems of supply distribution nutrition cooking and health and hygiene as the city expanded and changed character and chronicles the effects of social economic and ethnic shifts since the end of the Second World War At the end of each chapter are recipes from the period written in modern usable form From the takeaway pasties baked by the Cook in The Canterbury Pilgrims to dinner at the Caf Royal from John Evelyn's recipes for salads to Mrs Beeton from the introduction of coffee to the appearance of ration books this book charts the gastronomic life of London in scholarly and entertaining detail A discussion of the city as it is at the beginning of the twenty first century rounds off the picture a time when Middle Eastern and Oriental food is commonplace and much of the cuisine available in European restaurants is inspired by that on offer in popular holiday resorts and purely British food is difficult to find If London beguiles you literature seduces you and recipes fascinate you this pioneering book will intrigue and delight you *Egon Ronay's Visa Guide ..., Hotels & Restaurants*, 1997 **CaLDRON Magazine, February 2014 - Valentine's Day Special** Chef at Large, 2014-02-12 We're reaching out faster than we thought with the last issue too raking in over 100 000 reads which sounds like we ought to be aiming at a million plus in the course of
