Egyptian Myths and the Ra Ta Story Richard Roche,1975-01-01 *The Stargate Conspiracy* Lynn

Picknett,2001-09-01 In recent years alternative historians have gained remarkable insight into the mysteries of ancient Egypt but according to Lynn Picknett and Clive Prince their discoveries tie into a dangerous conspiracy nearly fifty years in the making At the center of this conspiracy is a group of respected powerful individuals who believe that the ancient Egyptian gods are really extraterrestrials who will soon return to earth The conspirators have intimate and exclusive knowledge of this momentous second coming but they insist on keeping it to themselves What could be the purpose of such a conspiracy Why are the conspirators so desperate to keep their information a secret And what does it mean for mankind In this riveting well researched book Picknett and Price offer compelling evidence that the conspiracy exists and expose the insidious motivations of the individuals and organizations behind it **The Reincarnation of Edgar Cayce?** Wynn Free,David

Wilcock,2010-06-15 Discover the legacy of the most famous psychic of the 20th century in this stirring exploration of psychic abilities reincarnation and other paranormal phenomena There are remarkable parallels between the work of David Wilcock and Edgar Cayce the legendary clairvoyant sleeping prophet and father of holistic medicine Here author Wynn Free explores these parallels building a convincing case that the two men shared the same source of prophetic information and that Wilcock might indeed be Cayce s reincarnation Compiling some of Wilcock s most inspirational and life transforming prophetic guidance from his channeled Source this book conveys profound insights into topics such as earth changes secret cabals soul evolution death and reincarnation ascension crop circles and the theory of evolution Explaining how energetic increases occurring in the Sun and planets can have scientifically measurable far reaching effects in a number of realms The Reincarnation of Edgar Cayce presents new evidence that this energy can transform DNA potentially making ESP telekinesis levitation and other paranormal activities as common as breathing and usher in the Golden Age promised by every major spiritual tradition in human history Readers will come away with a deeper understanding not only of the life and work of both Wilcock and Cayce but with a broader sense of the many forces seen and unseen at work in the universe today **Edgar**

Cayce in Context K. Paul Johnson,2016-03-22 Edgar Cayce widely acclaimed clairvoyant and forerunner of the holistic health movement is revealed here as a pivotal figure in the transition from the esoteric and metaphysical movements of the late nineteenth century to the New Age movement This book describes and evaluates his psychic readings more than 14 000 trance discourses that address medical theological historical and psychological concerns raised by thousands of inquirers The author evaluates evidence for and against Cayce s reliability in the subject areas emphasized by the readings Cayce s medical and psychological advice is shown to be well ahead of his time in many respects and his spiritual teachings are appraised as a reconciliation of Protestant mysticism with New Thought and Theosophy Although the medical readings provide intriguing evidence for Cayce s ESP his clairvoyant time travel illustrates the fallibility of information derived

through hypnotic trance The author contends that the contents of the readings reflect the knowledge and interests of their recipients as much as Cayce s personal opinions and beliefs This is the first book to focus solely on appraising the entire body of the Cayce readings from a scholarly perspective Edgar Cayce's Tales of Ancient Egypt John Van Auken,2011-09 John Van Auken combines the collection of Egyptian past lives found in the Cayce readings with Egyptian legends that appear in papyruses on temple walls and in pyramid texts for a complete picture that reveals the full story of priestesses healers female pharaohs and gods among humans This book includes more than 80 illustrations with Cayce s insights into the pyramids ancient flight the Hall of Records the Great Initiate and the seven stages of soul growth **Edgar Cayce's Story of the Soul** W.H.
