PRAISE FOR SIR RANULPH FIENNES Always that little bit further and always the best. It is why even to this day I remain in awe at all he has accomplished. Bear Grylls. His ground-breaking expeditions have redefined what is possible but have also ignited a fire within the hearts of those seeking their own extraordinary journeys.

Levison Wood: That sunny March day on top of the Eiger represented the beginning of the end of our days climbing together. Looking at Ran's grizzly bearded face, I was yet to realise what he had planted within me, but I knew it was there. As the mist rolled in for a while it looked like we might be stuck, but I didn't mind at all. I simply had to channel my inner Ran. Kenton Cool.

Defence from the Skies: 80 Years of the Indian Air Force,2013-08-15 Indian Air Force now completes 80 years since it was formed as an independent component of India s armed forces Time and again the air force has performed magnificently even against severe odds and built up a professional reputation that is the envy of leading air forces of the world This volume as the Second Edition of the earlier volume published in 2007 has been extensively revised and updated Air Forces are unique in the sense that they are the only national military institution exclusively devoted to military operations in the aerospace continuum The Indian Air Force is no different But their dominant role in modern warfare the high costs of aerospace power and a host of other factors demand closer attention to their role in modern defence and the protection of national interests Air Forces don t win wars by themselves and no one in the Indian Air Force has ever claimed it But no war can be won without them We learnt that seminal lesson the hard way when we did not use the potent force of the IAF s combat fleet in the Sino Indian War of 1962 It is from this perspective that this study or rather an interpretative essay reflecting on the significant issues and events of the past 80 years approaches the challenges the Indian Air Force faces in the coming decades IAF combat force levels have slumped while its commitments are rapidly growing in consonance with our expanding economic and political interests well beyond
