**Hear Our Prayer** Science Museum (Great Britain), Kevin Mayhew, 1996 A Victorian Anthology, 1837-1895 Edmund Clarence Stedman, 1895 A Hebrew Anthology: Selections from the drama George Alexander Kohut, 1913 A Hebrew Anthology: Lyrical, narrative and devotional poems A Hebrew Anthology George Alexander Kohut, 1913 George Alexander Kohut. 1913  $\square\square\square\square$ :  $\square\square\square\square$   $\square\square\square$   $\square\square\square$  Gershon Robinson, 2005 **Hear Our Prayer** Olivia Warburton, 2005 An elegant thematically arranged collection of prayers through the ages Minister's Prayer Book Mary Jane Haemig, Chris Halverson, Robb Harrell, 2020-02-04 Since it first appeared in print in 1959 John Doberstein's Minister's Prayer Book has been a devotional classic among Lutheran pastors Written by a pastor for other pastors Doberstein's work recognizes the need for the pastor to drink from a well of rich resources to sustain the spiritual vitality needed to serve faithfully in parish ministry. The fact that this manual of devotion is still available more than fifty years later is a testament to the timelessness of the collection Doberstein gathered as well as to his own pastoral acumen Other than a minor revision made in 1986 by Philip Pfatteicher to update the propers there has been no attempt to bring fresh material to Doberstein s work no attempt to update it for a new generation Until now This revised edition recognizes the increasingly diverse face of clergy New resources prayers and readings written by women people of color and Christians from around the world give the collection a broader appeal The beauty of the Minister's Prayer Book is its intentional re-centering of the pastor's calling on word and sacrament on pastoral care and on being fully present and engaged in the lives of God's people Pastoral Prayers for the People of God Paul Watermulder, Martha Watermulder, 2017-02-13 These are prayers given in public worship from World War II to the twenty first century by one of Americas great Presbyterian preachers and leaders They are helpful for personal devotions and for professionals seeking guidance or inspiration in the offering of prayers Chapters include AdventChristmas LentEaster and the Church year as a whole There are also prayers for special occassions focused on Thanksgiving church anniversaries and patriotic themes **The Merit of Our Mothers** Tracy G Klirs, 1992-05-01 For many centuries Jewish prayer was so dominated by its male creators and male readers that the Jewish woman's role in prayer seems to have been all but obliterated Yet Jewish women have always prayed and before prayer became standardized into a formal liturgy Israelite women offered up spontaneous petitions and hymns to God as freely as did men While they may not have been able to help constitute a minyan and while many did not know Hebrew or Aramaic women produced and used material for prayer at home The Yiddish tkhines had its origin in a form of supplicatory prayer in the Talmud whose original intent was to allow for individual private devotion during the standard prayer service. The private Yiddish prayers and devotions for Jewish women continued to use this term They emerged in the world of premodern Ashkenazic Jewry and represent one of the richest and least known forms of Jewish religious literature Because modern sensibility seemed to reject them and because Yiddish was quickly forgotten by second and third generation Jews in the West they have been sadly

neglected Although a few have been individually translated into English this is the first bilingual anthology ever to appear. The prayers in this volume are characterized by a highly personal and intimate style and mark occasions in the religious calendar such as the Tkhine for the Blessing of the New Moon as well as occasions in the life of a woman such as the Tkhine for a Mother who Leads Her Child to Kheyder for the First Time The tkhines are of great appeal and value to those who wish to hear the voices of Jewish women in history study Yiddish literature and culture or create new expressions of spirituality

Sauder, 2003 **Teaching P. R. A. Y. E. R. (Prayer)** Brant D. Baker, 2001 This practical guidebook offers eight lessons to help pastors and other church leaders teach adults how to communicate with God through various types of prayer Each chapter opens with background information on a specific aspect of prayer and concludes with a lesson related to the chapter topic Each chapter also includes experiential exercises and activities informational charts and tables for leaders and reproducible worksheets and handouts for the class participants **A Question of Tradition** Kathryn Hellerstein, 2014-07-23 In A Question of Tradition Kathryn Hellerstein explores the roles that women poets played in forming a modern Yiddish literary tradition Women who wrote in Yiddish go largely unrecognized outside a rapidly diminishing Yiddish readership Even in the heyday of Yiddish literature they were regarded as marginal But for over four centuries women wrote and published Yiddish poems that addressed the crises of Jewish history from the plaque to the Holocaust as well as the challenges and pleasures of daily life prayer art friendship nature family and love Through close readings and translations of poems of eighteen writers Hellerstein argues for a new perspective on a tradition of women Yiddish poets Framed by a consideration of Ezra Korman s 1928 anthology of women poets Hellerstein develops a discussion of poetry that

extends from the sixteenth century through the twentieth from early modern Prague and Krakow to high modernist Warsaw New York and California The poems range from early conventional devotions such as a printer s preface and verse prayers to experimental transgressive lyrics that confront a modern ambivalence toward Judaism In an integrated study of literary and cultural history Hellerstein shows the immensely important contribution made by women poets to Jewish literary tradition

Graveyard Poetry Eric Parisot,2016-04-22 While immensely popular in the eighteenth century current critical wisdom regards graveyard poetry as a short lived fad with little lasting merit In the first book length study of this important poetic mode Eric Parisot suggests to the contrary that graveyard poetry is closely connected to the mid century aesthetic revision of poetics Graveyard poetry s contribution to this paradigm shift Parisot argues stems from changing religious practices and their increasing reliance on printed material to facilitate private devotion by way of affective and subjective response Coupling this perspective with graveyard poetry s obsessive preoccupation with death and salvation makes visible its importance as an articulation or negotiation between contemporary religious concerns and emerging aesthetics of poetic practice Parisot reads the poetry of Robert Blair Edward Young and Thomas Gray among others as a series of poetic experiments that attempt to accommodate changing religious and reading practices and translate religious concerns into parallel reconsiderations of poetic authority agency death and afterlife Making use of an impressive body of religious treatises sermons and verse that ground his study in a precise historical moment Parisot shows graveyard poetry s strong ties to seventeenth century devotional texts and most importantly its influential role in the development of late eighteenth century sentimentalism and Romanticism
