Hearing From God:

Hearing God in Conversation Sam Williamson, 2016-06-27 I picked it up out of curiosity and I couldn't put it down Eugene Peterson Christians are comfortable saying that Christianity is about a relationship with God Yet many might also say that they sense little meaningful relationship with God in their own lives After all the foundation of good relationship is communication but conversation with God often seems to go only one way We may sing of walking and talking with God in the garden His voice falling on our ears but few have heard that beloved voice themselves Sam Williamson acknowledges the fundamental human longing to hear God's voice and offers a hopeful supposition God is always speaking we've just never been taught how to recognize His voice Williamson handles this potentially heady topic with his characteristic straightforwardness and leavening humor This book deftly bridges the gap between solid biblical theology and practical application addressing topics such as how to truly pray without ceasing how to brainstorm with God how to navigate our emotions how to answer God's questions and how to hear God's voice for others Hearing God in Conversation offers simple step by step lessons on how to hear God Williamson begins with Scripture meditation He then expands the practice of listening for that voice everywhere in the checkout line on the job in a movie theater and even in silence From there he demonstrates how to hear God's guidance when making any decision By the end readers eyes and ears will be opened to the limitless methods through which God speaks

Preparing Ourselves to Hear God's Voice Charles W Morris,2019-05-30 For years now the most common prayer request I have had from believers is their desire to hear the voice of God and to know God s will for their lives The most commonly asked question I have heard is How do I hear God s voice Nothing should be more alarming for believers than not getting a Word from the Lord Think about it How will we ever know what God truly desires for our lives if we cannot hear from Him On the other hand some believers do hear from the Father and receive answers but have a hard time believing it is God because the answer comes in ways they might not have expected When we do not hear God s voice we become uncertain of what to do next when faced with good and bad choices One of the reasons we don t seek to hear and follow God s voice is that the wrong life choices don t look so bad when we are in the flesh and not listening to the Father The problem many times is the mental emotional and spiritual parameters in which we limit God We limit the ways God might speak to us if we confine God in our box of how He must work and speak We must be willing to change the way we think about how to hear from the Father If we are open to hearing God only one way then we are limiting our ability to hear from Him We need to stop trying to limit HOW He will speak to us and just tune our ears to WHAT He is saying This book is designed to be a beginning course for believers who are learning to hear the voice of the Father This book is not necessarily meant to be for those who seem to regularly and clearly hear from the Father on behalf of all believers This is book 1 of a series entitled So You Want To Hear The Voice Of God The author sets out to prepare the reader to hear from the Father This is intended for the whole body of Christ as they humbly experience the privilege and joy of hearing the voice of the Father Join us as we walk the journey of seeking our Lord s face together and discovering the many ways of communing and hearing the voice of God our heavenly Father Hearing God 30 Different Ways Larry Kreider,2006 Are you listening You can hear God s voice every day and it s easier than you ever imagined The Lord speaks to us in ways we often miss He has many ways of speaking

including through the Bible prayer circumstances spiritual gifts common sense wisdom conviction His character His peace natural things and even in times of silence Discover how God s voice becomes familiar to you as you develop a loving relationship with Him Take the next 30 days reading a chapter each day to explore 30 of the many ways God speaks Expect to be surprised *Hearing God* Lory Basham Jones, 1985
