Aavang, 2023-02-24 Can a man alone in the Canadian wilderness in the depths of the worst winter in memory surrounded by wolves survive and fulfill his unique destiny John has just finished eight grueling years of study in First Nation's People His Ph D and professorship will happen when he returns from his summer of research and a unique medical mission in the northern reaches of Canada His background in a small bush town with a legendary bush pilot grandfather raising John gives him a deep understanding of the bush a strong desire to help the First Nation's People and a pilot's license Accompanying him a young doctor Sky by chance is a childhood nemesis the daughter of a chief and friend of John's Grandpa Johnny They competed on every level and she usually won whether it was a foot race or catching the most fish Separated by differing life trajectories and cultures for ten years they find themselves sharing this summer mission of four months A wilderness
