Silhouettes of the Soul Otto Von Busch, Jeanine Viau, 2022-02-10 What is the relationship between the soul or inner life and what we wear in the making of identity and belief What bearing do religious and political belonging respectability and resistance have on the way in which we dress Why have more traditional religious practices been so prescriptive about body adornment Historically fashionable dress and religion have been positioned as polar opposites *Silhouettes of the Soul* brings them together placing them in conversation with each other By moving beyond traditional social scientific and historical analysis of religious attire and adornment the book presents a variety of disciplinary approaches from across regional social and religious locations Contentious and challenging as well as academically rigorous the book's diverse range of contributors from fashion and religious studies scholars to designers activists monastics and journalists explore the relationship between religion and fashion extending the meanings and possibilities of both dress and spirituality Combining interviews and personal stories with more traditional theoretical analysis *Silhouettes of the Soul* offers new ways of looking at the relationship between religion personal convictions and self expression our sense of self and our sense of fashion [Making Sense Of: Dying and Death](#), 2004-01-01 This book aims to extend upon the growing body of literature concerned with dying and death The book analyses various experiences and representations of dying and death from the perspective of academic disciplines as diverse as theology philosophy sociology anthropology and literature The rationale for this is simple As objects of study dying and death cannot be usefully reduced to a single academic perspective One cannot hope to gain a deep and comprehensive understanding of dying and death by gazing at them through a single lens Bringing various perspectives in a single volume aims to both accurately record those enduring properties of the phenomena such as mourning and fear whilst simultaneously analysing the diversity and heterogeneity of human beings attempts to come to terms with this most forbidding of existential horizons [Social Silhouettes](#) George William Erskine Russell, 1906 [Our Journal Our Journey -](#) Tammy Bimrose, 2013-02-06 The journey continues with more laughter more thrill and Michael being typical Michael This journey has many twists and turns and one twist I have found to be spiritually captivating not just for me but all who call this planet home This journey started with the first volume where it opened our minds to fathom that there is in fact an afterlife I have been informed by Jesus that time is of the essence and now is the most important period of our lives where all Religious beliefs all Prophecies and Mythology converge It is time to allow yourself to further open your minds and accept the reality that is contained within In your hands is hope for a better tomorrow If you are willing we are here to give you wings so you can learn to soar the skies as yesterday has come and gone today you hold hope for a better tomorrow So if you dare to rise up we will be alongside you Michael Jackson in spirit God Jesus Siddhartha Gautama Buddha Meher Baba and Michael Jackson have their say Are you ready to listen What have you got to lose A foreshadowing that you should not ignore

Heart and Soul Lynn Bartlett, 1992 [Beyond Silhouettes](#) Sreesha Ravindran and Indira Priyadarshini, 2025-09-02 She

was running out of time in every way that mattered The calendar reminded Nila she had crossed a quarter of her life the scale revealed she had slipped past healthy limits and the ticking clock exposed how she had barely finished half her chores each day Haunted by society's expectations and her own self doubt she felt trapped in the fading silhouette of the woman she'd once hoped to become When a devastating divorce shattered her world altogether she sought the mountains Embarking on a solitary journey to the Himalayas she learned resilience in the face of storms courage on crumbling cliffs and purpose in the rhythm of her own breath With each summit she peeled back layers of her old self transforming the shadows of her past into a vibrant illuminated future But the greatest climb wasn't upward it was inward What began as a simple trek grew into an extraordinary mission to conquer Mount Everest redefine her limits and reclaim the life she'd almost lost What does it take to rise from rock bottom to the roof of the world
