The Awakening Pieter Swart, 2008-08 We are living in a time when Christians are running on empty The reason is simple we have replaced the abiding life in Christ Jesus with trying to live this Christian life in our own strength and ability We have changed our focus from the spiritual to the natural Only one person could ever have lived the Christian life and His name is Jesus Christ If He is not the center and source of our lives then we can forget about living the Christian life The new covenant is based on the fact that Jesus has cleansed man from all his sin by His blood The main purpose for His shed blood was to set man free from the sin nature and give him a righteous nature so that God Himself could come to take residence in man Pieter Swart was born and raised in South Africa where he came to know the Lord Jesus Christ at the age of twenty three In 1986 Pieter married his wife Linda and they have two daughters Maryke and Salome In 1987 Pieter and Linda planted their first church From 1988 to 2001 they were involved in church planting and pastoring several churches in South Africa In 2002 the Lord called Pieter to station himself in Canada from where he is called to reach out to the nations with the Good News of the Kingdom Through the teaching ministry of Pieter and Linda people come to the understanding of how to receive from God Pieter also has a heart to see pastors breaking through in their communities

is psychology and the third is mysticism Philosophy is learned by the analysis and synthesis of all that we perceive through the five senses Psychology is learned by the analysis and synthesis of all that we can feel in human nature and in our character and mysticism is learned by the analysis and synthesis of the whole of life both that which is seen and that which is unseen Philosophy therefore is learned by the study of things psychology is learnt by thinking and mysticism is learned by meditation The one who takes these three steps towards divine knowledge completes his life s study but he omits the first or the second step philosophy or psychology and arrives directly at mysticism he leaves behind some knowledge that could have helped him impart his knowledge to others Therefore it is most essential that these threes steps be taken one after the other The words philosophy psychology and mysticism should not be interpreted in the sense in which they are generally used today By philosophy is not meant a certain philosophy By psychology is not meant a certain system By mysticism is not meant a certain occult science But by philosophy is meant the knowledge of things perceived through the intelligence or intuition by psychology the knowledge of the human character and of human nature and by mysticism the knowledge of being Love's Oneing Kerrie Hide,2022-11-08 Grounded in Christian love mysticism Love s Oneing gives voice to the luminous consciousness that awakens from within our oneness in God in contemplation With great sensitivity the book offers nuanced insight into the marriage of kenosis and desire in contemplation through the rich tapestry of writings from nine mystics Julian of Norwich the Cloud of Unknowing author Meister Eckhart Mechthild of Magdeburg Clare of Assisi John of the Cross Teilhard de Chardin Beatrice Bruteau and Ilia Delio With the delicate eye of a spiritual director immersed in mystical literature Kerrie Hide situates these mystical teachings within contemplative prayer whilst offering a scholarly exploration of contemplative practice to embody the insights Deeply grounded in traditional and contemporary mystical classics Hide celebrates how the Christian mystical tradition lays a foundation for the evolutionary growth of communion consciousness and the insights of quantum science highlighting key moments in contemplation that when surrendered into open into divine love Born of intellectual reflection lived experience and contemplative wisdom Love s Oneing makes a unique contribution to the existing literature on contemplation at a time when the recovery of the mystical dimension of life is crucial for the future of our planet in this climate crisis moment Sacred Powers Davidji,2017-12-12 Have you ever found yourself at a crossroads unsure of which way to turn Maybe you reached a fork in the road and felt overwhelmed by the choices before you Or perhaps you felt stuck held back by the fear of making the wrong decision with one foot rooted firmly in the past and the other dangling into the unknown But there is a pathway out of your challenges and into a space of freedom happiness and lasting fulfillment For thousands of years divine solutions have been whispered directly into the hearts of priests shamans wizards medicine women and healers In Sacred Powers internationally renowned meditation master davidji reveals the deepest secrets of this timeless wisdom and distills their essence into the Five Divine Principles of the Universe The Divine Principle of One The Divine Principle of Awareness The Divine Principle of Rebirth The Divine Principle of Infinite Flow The
