I would roll down onto your lips.
But if you were a tear in my eye,
I would never cry as
I would be afraid to
lose you.

for evoking its potential benefits The book's presentation is straightforward enough to make it an excellent introduction for beginners yet the level of detail and the depth of research make it an invaluable resource for the most experienced stone practitioners

Connection Mode Nancy Sokol Green, 2022-09-27 *Connection Mode* is a fantastic book As a physician I can highly recommend that my patients empower themselves with the wealth of knowledge and solutions offered in this book

Andrea Lorenze MD I can attest from personal experience with my family and patients to how effective this approach is This revealing and insightful book will benefit all adults and kids

Robert Schwartz MD FAAPMR Nancy's ability to understand the complexities of the brain and nervous system and teach them to children parents and educators with such ease understanding and humor is life changing for everyone

Jen Larson MEd school counselor Could simple changes to your brain and nervous system make your life easier

Drawing on humorous examples true stories and playful analogies *Connection Mode* shows how our nervous system including a surprisingly common missed opportunity to finish our lower brain development often interferes with our lives in ways we don't even realize

The book answers questions such as How can I stop feeling anxious tired and overwhelmed so much of the time How does my nervous system play a role when I argue or shut down in relationships How might my nervous system influence how I learn Why should I care if I never finished developing my lower brain

The good news is that we are all innately wired to live mainly in connection mode in which each of us can learn with joy be curious show compassion focus and show up as who we truly are

Our brain and nervous system may just need a little help remembering that not everything in life is an attacking tiger

Connection Mode distills decades of compelling information from the Brain Highways program which has guided 20 000 kids and adults to improve their lives by changing their brain and nervous system

The book offers a simple time tested trifecta approach for restoring our nervous system's flexibility which is the gateway to living primarily in connection mode

Once our nervous system no longer sees everything as a threat the problems we had either disappear altogether or show up in ways that are not so stressful

Educator Nancy Green's approachable voice and relatable stories may cause you to rethink what you believe about common diagnoses anxiety relationships personalities learning and more

After reading *Connection Mode* you'll find it impossible not to look at others and perhaps even yourself with more curiosity and compassion

And if you incorporate the book's specific actions you'll be well on the path to an easier life
