Heart Of An Apostle:

Heart of an Apostle Pete Beck, Jr.,2007-10-01 After many years of experience with churches I observed that the maturing of the churches in general was being thwarted by the lack of genuine apostolic and five fold ministry The book was written to illustrate the need for genuine apostolic leadership from the heart of maturity Most books about apostolic leadership although good and helpful were more or less written from the point of view of application and performance of ministry rather than from the aspect of heart Key editorial points are Why we need each other The marks of a true apostle and how to recognize them The need for a team spirit Passing the baton to future leaders This book will throw great light on the understanding of those who want to see true oversight work in churches and the blessing it will bring to all concerned

The Apostle's Heart Al Huba,2007-09 The Apostles Heart takes an in depth look at the Book of Romans which is considered by many Bible scholars to be the Magna Carta of faith This treatise on Romans attempts to capture the innermost feelings of the writer the Apostle Paul toward his beloved church Christian The Heart of the Apostle Stephanie Jones,Scott Jones,2023-08-31 It is not always obvious what an apostle is Have you felt confused about apostles in the twenty first century Who are they and how can you tell them apart Countless books have been written about the outward signs and undertakings of this foundational calling The Heart of the Apostle is not a commentary on exterior actions but rather a portrait of interior life Going beyond manifestations of the ascension gifts this book offers a road map to the innermost world of the apostle Scott and Stephanie draw themes from the epistles while acknowledging Jesus as the prototype for true apostleship Here is a compass for successfully navigating the apostolic journey The Apostolic Revelation John Kingsley Alley,2002-10-01 God is about to release into the earth a powerful increase of the apostolic and prophetic anointings and restore the apostolic nature of the church itself Every Christian needs to prayerfully consider the message of this book and hear what the Spirit is saying to the church Things are changing and God is about to act again in history The Apostolic Revelation unveils a series of dynamic concepts that are crucial to the life of the church and the restoration of its apostolic power It establishes benchmarks for the apostolic ministry and gives definition and substance to the new apostolic wineskin of the church Here is a revelation of apostolic methods and God s heart for the church and its leadership In this study today s apostolic message is harmonised with and grounded in the apostolic revelation of Christ given to Paul the apostle to the Gentiles This work is the result of 13 years of inquiry searching the mind of the Spirit regarding the place of apostles today and seeking to understand what it means for the church to be the mature apostolic church prepared for the coming of Christ Apostolic grace is for every believer This book seeks to equip you to receive a greater grace and prepare you for the astounding days ahead C Peter Wagner said After reading The Apostolic Revelation I want to congratulate you for it It is a brilliant book I would not hesitate to classify it as the premier biblical theology of the apostolic movement This book ranks up there with the very best of the exploding literature on the subject *A Commentary on the Whole Epistle to the Hebrews*
