the tide seemed to stand still in red clusters of canvas sharply peaked with gleams of varnished sprits A haze rested on the low shores that ran out to sea in vanishing flatness The air was dark above Gravesend and farther back still seemed condensed into a mournful gloom brooding motionless over the biggest and the greatest town on earth The Director of Companies was our captain and our host We four affectionately watched his back as he stood in the bows looking to seaward On the whole river there was nothing that looked half so nautical He resembled a pilot which to a seaman is trustworthiness personified It was difficult to realize his work was not out there in the luminous estuary but behind him within the brooding gloom
