The Political Memoir of
a Feminist Militant

Heartbreak The Political Memoir Of A Feminist Militant

Jody Raphael

Heartbreak The Political Memoir Of A Feminist Militant:

Heartbreak Andrea Dworkin, 2007-02-01 Always innovative often provocative and frequently polarizing Andrea Dworkin carved out a unique position as one of the women's movement's most influential figures She wrote thirteen books ranging across feminist theory fiction and poetry This book is her memoir *Heartbreak* Andrea Dworkin, 2006

Women and the Law Ashlyn K. Kuersten, 2003-11-17 A definitive overview of court decisions and legislative victories in the fight for gender equality in U S history *Women and the Law* Leaders Cases and Documents chronicles the evolution of women's rights from the Revolutionary War to the present day Spanning the gamut of legal concepts court decisions justices and organizations this extensive reference also explores a broad range of issues from sexual harassment and spousal abuse to the gender gap in voting and the custody challenge of Baby M Profiles of Susan B Anthony Ruth Bader Ginsburg Anita Hill Betty Friedan and other activists explore their roles in bringing the issue of equal rights for women to the forefront of U S politics A thorough review of key legislative acts including the 19th Amendment the Equal Pay Act the Pregnancy Discrimination Act Title IX of the Educational Amendments and more recent rulings like the Violence against Women Act of 1994 reveals the successes failures and tenacious efforts of those who are fighting to achieve gender equality in the United States

Beyond Speech Mari Mikkola, 2017-03-01 This collection of eleven new essays contains the latest developments in analytic feminist philosophy on the topic of pornography While honoring early feminist work on the subject it aims to go beyond speech act analyses of pornography and to reshape the philosophical discourse that surrounds pornography A rich feminist literature on pornography has emerged since the 1980s with Rae Langton's speech act theoretic analysis dominating specifically Anglo American feminist philosophy on pornography Despite the predominance of this literature there remain considerable disagreements and precious little agreement on many key issues What is pornography Does pornography as Langton argues constitute women's subordination and silencing Does it objectify women in harmful ways Is pornography authoritative enough to enact women's subordination Is speech act theory the best way to approach pornography Given the deep divergences over these questions the first goal of this collection is to take stock of extant debates in order to clarify key feminist conceptual and political commitments regarding pornography This volume further aims to go beyond the prevalent speech acts approach to pornography and to highlight novel issues in feminist pornography debates including the aesthetics of pornography trans identities and racialization in pornography and putatively feminist pornography

Sisterhood Is Forever Robin Morgan, 2007-11-01 Thirty years after Robin Morgan's groundbreaking anthology *Sisterhood Is Powerful* named by The American Librarians Association one of The 100 Most Influential Books of the Twentieth Century comes this landmark new collection for the twenty first century *Sisterhood Is Forever* with over 60 original essays Morgan commissioned from well known feminist leaders plus energetic Gen X and Y activists is a composite mural of the female experience in America where we've been where we are where we're going The stunning scope of topics ranges from

reproductive health and environmental issues to workplace inequities and the economics of women's unpaid labor from globalization to the politics of aging from cyberspace violence against women and electoral politics to spirituality the law the media and academia The deliberately audacious mix of contributors spans different generations races ethnicities and sexual preferences CEOs housewives rock stars farmers scientists prostituted women politicians women in prison firefighters disability activists artists flight attendants an army general an astronaut an anchorwoman even a pair of teens who edit a girls magazine Each article celebrates the writer's personal voice her humor passion anger and the integrity of her perspective while offering the latest data on women's status political analysis new how to tools for activism and visionary yet practical strategies for the future strategies needed now more than ever Robin Morgan's own contributions are everything her readers expect prophetic powerfully argued unsentimentally lyrical From her introduction The book you hold in your hands is a tool for the future a future also in your hands Edna Acosta Bel n Carol J Adams Margot Adler Natalie Angier Ellen Appel Bronstein Mary Baird Brenda Berkman Christine E Bose Kathy Boudin Ellen Bravo Vednita Carter Wendy Chavkin Kimberl Crenshaw Gail Dines Paula DiPerna Helen Drusine Andrea Dworkin Eve Ensler Barbara Findlen Mary Foley Patricia Friend Theresa Funciello Carol Gilligan Sara K Gould Ana Grossman The Guerrilla Girls Beverly Guy Sheftall Kathleen Hanna Laura Hershey Anita Hill Florence Howe Donna M Hughes Karla Jay Mae C Jemison Carol Jenkins Claudia J Kennedy Alice Kessler Harris Clara Sue Kidwell Frances Kissling Sandy Lerner Suzanne Braun Levine Barbara Macdonald Catharine A MacKinnon Jane Roland Martin Debra Michals Robin Morgan Jessica Neuwirth Judy Norsigian Eleanor Holmes Norton Grace Paley Emma Peters Axtell Cynthia Rich Amy Richards Cecile Richards Carolyn Sachs Marianne Schnall Pat Schroeder Patricia Silverthorn Eleanor Smeal Roslyn D Smith Gloria Steinem Mary Thom Jasmine Victoria Faye Wattleton Marie Wilson Helen Zia

Andrea Dworkin Martin Duberman, 2020-09-08 From one of America's leading biographers the definitive story of the radical feminist and anti pornography activist based on exclusive access to her archives Fifteen years after her death Andrea Dworkin remains one of the most important and challenging figures in second wave feminism Although frequently relegated to its more radical fringes Dworkin was without doubt a formidable and influential writer a philosopher and an activist a brilliant figure who inspired and infuriated in equal measure Her many detractors were eager to reduce her to the caricature of the angry man hating feminist who believed that all sex was rape and as a result her work has long been misunderstood It is in recent years especially with the rise of the MeToo movement that there has been a resurgence of interest in her ideas This biography is the perfect complement to the widely reviewed anthology of her writing Last Days at Hot Slit published in 2019 providing much needed context to her work Given exclusive access to never before published photographs and archives including her letters to many of the major figures of second wave feminism award winning biographer Martin Duberman traces Dworkin's life from her abusive first marriage through her central role in the sex and pornography wars of the following decades This is a vital complex and long overdue reassessment of the life and work of one

of the towering figures of second wave feminism *Last Days at Hot Slit* Andrea Dworkin, 2019-03-05 Selections from the work of radical feminist author Andrea Dworkin famous for her antipornography stance and role in the feminist sex wars of the 1980s Radical feminist author Andrea Dworkin was a caricature of misandrist extremism in the popular imagination and a polarizing figure within the women's movement infamous for her antipornography stance and her role in the feminist sex wars of the 1980s She still looms large in feminist demands for sexual freedom evoked as a censorial demagogue more than a decade after her death Among the very first writers to use her own experiences of rape and battery in a revolutionary analysis of male supremacy Dworkin was a philosopher outside and against the academy who wrote with a singular apocalyptic urgency *Last Days at Hot Slit* brings together selections from Dworkin's work both fiction and nonfiction with the aim of putting the contentious positions she's best known for in dialogue with her literary oeuvre The collection charts her path from the militant primer *Woman Hating* 1974 to the formally complex polemics of *Pornography* 1979 and *Intercourse* 1987 and the raw experimentalism of her final novel *Mercy* 1990 It also includes *Goodbye to All This* 1983 a scathing chapter from an unpublished manuscript that calls out her feminist adversaries and *My Suicide* 1999 a despairing long form essay found on her hard drive after her death in 2005 *The Women's House of Detention* Hugh Ryan, 2022-05-10 This singular history of a prison and the queer women and trans people held there is a window into the policing of queerness and radical politics in the twentieth century *The Women's House of Detention* a landmark that ushered in the modern era of women's imprisonment is now largely forgotten But when it stood in New York City's Greenwich Village from 1929 to 1974 it was a nexus for the tens of thousands of women transgender men and gender nonconforming people who inhabited its crowded cells Some of these inmates Angela Davis Andrea Dworkin Afeni Shakur were famous but the vast majority were incarcerated for the crimes of being poor and improperly feminine Today approximately 40 percent of the people in women's prisons identify as queer in earlier decades that percentage was almost certainly higher Historian Hugh Ryan explores the roots of this crisis and reconstructs the little known lives of incarcerated New Yorkers making a uniquely queer case for prison abolition and demonstrating that by queering the Village the House of D helped define queerness for the rest of America From the lesbian communities forged through the Women's House of Detention to the turbulent prison riots that presaged Stonewall this is the story of one building and much more the people it caged the neighborhood it changed and the resistance it inspired Winner 2023 Stonewall Book Award Israel Fishman Non Fiction Book Award CrimeReads Best True Crime Books of the Year *Girls Rock!* Mina Carson, Tisa Lewis, Susan M. Shaw, 2014-07-11 With a foreword by Jennifer Baumgardner and Amy Richards *Girls Rock* explores the many ways women have defined themselves as rock musicians in an industry once dominated and controlled by men Integrating history feminist analysis and developmental theory the authors describe how and why women have become rock musicians what inspires them to play and perform how they write what their music means to them and what they hope their music means to listeners As these musicians tell their stories topics emerge that illuminate

broader trends in rock s history From Wanda Jackson s revolutionary act of picking up a guitar to the current success of independent artists such as Ani DiFranco *Girls Rock* examines the shared threads of these performers lives and the evolution of women s roles in rock music since its beginnings in the 1950s This provocative investigation of women in rock is based on numerous interviews with a broad spectrum of women performers those who have achieved fame and those just starting bands those playing at local coffeehouses and those selling out huge arenas *Girls Rock* celebrates what female musicians have to teach about their experiences as women artists and rock musicians

Encyclopedia of Women and American Politics, Third Edition Lynne Ford, 2021-07-01 *Encyclopedia of Women and American Politics Third Edition* contains all the material a reader needs to understand the role of women throughout America s political history This informative A to Z volume contains hundreds of entries covering the people events and terms involved in the history of women and politics Entries include Abortion Alexandria Ocasio Cortez The birth control movement Black Lives Matter Hillary Rodham Clinton Deb Haaland Domestic violence Equal Rights Amendment ERA Glass ceiling League of Women Voters MeToo movement Michelle Obama Sonia Sotomayor Elizabeth Warren and many more

Cities in a Time of Terror: Space, Territory, and Local Resilience H.V. Savitch, 2014-12-18 This book is about urban terror its meaning its ramifications and its impact on city life Written by a well known expert in the field *Cities in a Time of Terror* draws on data from more than a thousand cities across the globe and traces the evolution of urban terrorism

between 1968 and 2006 It explains what kinds of cities have become prime targets why terrorism has become increasingly lethal and how its inspiration has changed from secular to religious The author describes urban terrorism as an attempt to use the city s own strength against itself forcing it to implode and delineates three basic logics of terrorist choices for targeting cities The book also includes a discussion of local resilience the city s capacity to bounce back from attack and suggests how that can be sustained Examples from New York London Jerusalem Istanbul Moscow Paris and Madrid illustrate the book s central themes

A Hypersexual Society K. Kammeyer,2008-11-10 As many can attest the prevalence of sexual imagery has increased in modern society over the past half century In this timely new study Kenneth Kammeyer traces the historical development of sexual imagery in America and society s preoccupation with it all within a firm theoretical and sociological framework

Gender, Psychology, and Justice Corinne Datchi,Julie R Ancis,2017-04-18 Reveals how gender intersects with race class and sexual orientation in ways that impact the legal status and well being of women and girls in the justice system Women and girls contact with the justice system is often influenced by gender related assumptions and stereotypes The justice practices of the past 40 years have been largely based on conceptual principles and assumptions including personal theories about gender more than scientific evidence about what works to address the specific needs of women and girls in the justice system Because of this women and girls have limited access to equitable justice and are increasingly caught up in outdated and harmful practices including the net of the criminal justice system Gender Psychology and Justice uses psychological research to examine the experiences of women and girls involved in the justice system Their experiences from initial contact with justice and court officials demonstrate how gender intersects with race class and sexual orientation to impact legal status and well being The volume also explains the role psychology can play in shaping legal policy ranging from the areas of corrections to family court and drug court Gender Psychology and Justice provides a critical analysis of girls and women s experiences in the justice system It reveals the practical implications of training and interventions grounded in psychological research and suggests new principles for working with women and girls in legal settings

Postwar America James Ciment,2015-03-26 From the outbreak of the Cold War to the rise of the United States as the last remaining superpower the years following World War II were filled with momentous events and rapid change Diplomatically economically politically and culturally the United States became a major influence around the globe On the domestic front this period witnessed some of the most turbulent and prosperous years in American history Postwar America An Encyclopedia of Social Political Cultural and Economic History provides detailed coverage of all the remarkable developments within the United States during this period as well as their dramatic impact on the rest of the world A Z entries address specific persons groups concepts events geographical locations organizations and cultural and technological phenomena Sidebars highlight primary source materials items of special interest statistical data and other information and Cultural Landmark entries chronologically detail the music literature arts and cultural history of the era Bibliographies

covering literature from the postwar era and about the era are also included as are illustrations and specialized indexes

Culture Wars Roger Chapman, 2015-03-17 The term culture wars refers to the political and sociological polarisation that has characterised American society the past several decades This new edition provides an enlightening and comprehensive A to Z ready reference now with supporting primary documents on major topics of contemporary importance for students teachers and the general reader It aims to promote understanding and clarification on pertinent topics that too often are not adequately explained or discussed in a balanced context With approximately 640 entries plus more than 120 primary documents supporting both sides of key issues this is a unique and defining work indispensable to informed discussions of the most timely and critical issues facing America today

Conscious Uncoupling Katherine Woodward Thomas, 2016-10-18 And Then They Lived Happily We enter our romantic relationships with great love hope and excitement we've found the one so we plan and forge our futures together But sometimes for many different reasons relationships come undone they don't work out Commonly we view this as a personal failure rather than an opportunity And instead of honoring what we once meant to each other we hoard bitterness and anger stewing in shame and resentment Sometimes even lashing out in destructive and hurtful ways despite the fact that we're good people at heart That's natural we're almost biologically primed to respond this way Yet there is another path to the end of a relationship one filled with mutual respect kindness and deep caring Katherine Woodward Thomas author of *Calling in The One* and creator of the groundbreaking method *Conscious Uncoupling* provides the valuable skills and tools for you to travel this challenging terrain with these five thoughtful and thought provoking steps Step 1 Find Emotional Freedom Step 2 Reclaim Your Power and Your Life Step 3 Break the Pattern Heal Your Heart Step 4 Become a Love Alchemist Step 5 Create Your Happy Even After Life This paradigm shifting guide will steer you away from a bitter end and toward a new life that's empowered and flourishing

Listening to Olivia Jody Raphael, 2015-11-01 For nineteen years Olivia lived the shadowy life of stripper streetwalker and heroin addict on the fringes of society Leaving a troubled home at age sixteen to land a seemingly glamorous job at a Chicago stripclub she became trapped in a web of prostitution and drug addiction that eventually forced her onto the streets and into a world of hardship at the hands of abusive men But Olivia a resourceful vibrant woman of color ultimately escaped the prostitution lifestyle and is now director of addiction services at a community counseling program working to support drug dependent women Listening to Olivia is the compelling account of her descent into poverty and abuse together with her hard fought recovery By assimilating new research on the women and girls in prostitution in addition to their male customers Jody Raphael discovers that experiences like Olivia's are alarmingly common and argues that the sex trade as an institution promotes violence against women Smashing both the common stereotype of the depraved streetwalker and abstract feminist arguments legitimizing prostitution as the sexual liberation of women the author uncovers an emerging multimillion dollar global trafficking industry that detains women in a violent cycle of exploitation and dependence Olivia's own insights on her turbulent childhood

stripping in clubs soliciting on the street drug addiction brutal pimps her three pregnancies and her extraordinary transformation highlight important new questions who are the men who buy sex from such poor strung out women and why are so many of these men so violent Olivia's story gives a human face to the overwhelmingly low income non white and unempowered young women in prostitution today Combined with a wealth of new findings this gripping and accessible study challenges the academy the legal system and society as a whole to wake up and listen to the women like Olivia

Fast Families, Virtual Children Ben Agger, Beth Anne Shelton, 2016-01-20 The Internet cell phones and other technologies have changed the ways in which people conduct their family lives raise children and navigate the blurry boundary between work and home Private life is colonized by employers teachers corporations family time is taken up by work homework and shopping What it means to be parents and children has changed dramatically This book shows how the nurturance of family has increasingly become a willful radical idea in an era of pervasive technology The authors analyze important trends including the acceleration and attenuation of childhood and offer a children's bill of rights and accompanying parental responsibilities

Prostitution, Trafficking, and Traumatic Stress PhD, Melissa Farley, 2004-04-15 Prostitution Trafficking and Traumatic Stress offers the reader an analysis of prostitution and trafficking as organized interpersonal violence Even in academia law and public health prostitution is often misunderstood as sex work The book's 32 contributors offer clinical examples analysis and original research that cou

The Enigmatic Realm of **Heartbreak The Political Memoir Of A Feminist Militant**: Unleashing the Language is Inner Magic
