Heartland Oklahoma Stories:

Stories from The Road Not Taken Henry Hurt, 2016-08-19 The stories in this collection are set in and around the imaginary town of Shaw's Pond in Southside Virginia. The fictional players including the narrator are interrelated by bloodlines, marriages, secret loves, scandals, and ancient grudges. As with people the world over, the characters and their stories are nourished by the legends that so often enrich the most ordinary of lives. To be sure, a lot is going on at Shaw's Pond. Henry Hurt has been an editor and writer for more than fifty years. As Editor at Large for Reader's Digest Magazine in its heyday, he reported on events from espionage and terrorism to disasters both natural and man-made. But his favorite subjects were the poignant stories of people where the human spirit shined through circumstances that seemed hopeless. Hurt lives in Southside Virginia.

Great Pages in History from the Wisconsin State Journal, 1852-2002 Frank Denton, 2002 This fascinating collection reproduces the most important front pages in the history of the Wisconsin State Journal newspaper from its first publication under that name on September 30, 1852, to the current War on Terrorism. See what Wisconsinites first read about Abraham Lincoln's election and assassination, Custer's last stand against the Sioux, the first votes by women, Henry Ford's \$5 daily wage, the Saint Valentine's Day mob massacre in Chicago, the disappearance of Amelia Earhart as she attempted to fly around the world, and the wars, elections, crimes, and social revolutions that have defined the past century and a half. Each front page reproduced from the original is readable down to the smallest type. In 2002, the Wisconsin State Journal celebrates its Sesquicentennial, marking one hundred and fifty years of service to the people of Madison and the State of Wisconsin. The newspaper had an earlier inception as the Madison Express in 1839 when Madison was a territorial town on the frontier and statehood was still nine years away. Readers will notice the newspaper's appearance has changed nearly as much as have the methods of gathering the news and producing the paper. But readers' fascination with and hunger for the news of each day remain strong.

Practicing Critical Oral History

Christine K. Lemley, 2017-09-08 *Practicing Critical Oral History Connecting School and Community* provides ways and words for educators to use critical oral history in their classroom and communities in order to put their students and the voices of people from marginalized communities at the center of their curriculum to enact change. Clearly and concisely written, this book offers a thought-provoking overview of how to use stories from those who have been underrepresented by dominant systems to identify a critical topic, engage with critical processes, and enact critical transformative justice outcomes. Critical oral history both writes and rights history so that participants, both interviewers and narrators in critical oral history projects, aim to contextualize stories and make the voices and perspectives of those who have been historically marginalized heard and listened to. Supplemented throughout with sample activities, lesson plan outlines, tables, and illustrative figures, *Practicing Critical Oral History Connecting School and Community* is an essential resource for all those interested in integrating the techniques of critical oral history into an educational setting.

Oklahoma's Atticus Hunter Howe Cates, 2019-11 An Oklahoma Bestseller. Tulsa, Oklahoma, 1953: an impoverished Cherokee named Buster Youngwolfe confesses to brutally raping and murdering his eleven-year-old female relative. When Youngwolfe recants his confession, saying he was forced to confess by the authorities, his city condemns him except for one man: public defender and Creek Indian Elliott Howe. Recognizing in Youngwolfe the life that could have been his if not for a few lucky breaks, Howe risks his career to defend Youngwolfe against the powerful county attorney's office. Forgotten today, the sensational story of the murder investigation and trial made headlines nationwide. *Oklahoma's Atticus* is a tale of two cities: oil-rich downtown Tulsa and the dirt-poor slums of north Tulsa. Of two newspapers, each taking different sides in the trial, and of two men, both born poor Native Americans but whose lives took drastically different paths. Hunter Howe Cates explores his grandfather's story, both a true-crime murder mystery and a legal thriller. *Oklahoma's Atticus* is full of colorful characters: from the seventy-two-year-old mystic who correctly predicted where the body was buried to the Kansas City police sergeant who founded one of America's most advanced forensics labs and pioneered the use of lie detector evidence to the ambitious assistant county attorney who would rise to become the future governor of Oklahoma. At the same time, it is a story that explores issues that still divide our nation: police brutality and corruption, the effects of poverty, inequality, and racism in criminal justice, the power of the media to drive and shape public opinion, and the primacy of the presumption of innocence. *Oklahoma's Atticus* is an inspiring true underdog story of unity, courage, and justice that invites readers to confront their own preconceived notions of guilt and innocence.
