*Mad For Glory: A Heart of Darkness in the War of 1812*  
Robert Booth, 2015-11-05 What if a naval captain went rogue with an American battleship In October 1812 as the 32 gun U S frigate Essex ventured out against the British enemy only one man had any idea that this cruise would turn into the longest strangest naval adventure in American history That man was Captain David Porter who had decided to run off with the navy s ship and its three hundred men to fight a separate Pacific war one of privateering pillaging and orgies Drawing on Porter s own writings and the accounts of eyewitnesses the author memorably recounts the events of a dark and fatal voyage in which David Porter crosses the line from commander to cult leader from improbable fantasy to disastrous reality In a tale so
