Harrison,2003-04-23 The Bront s of Haworth Yorkshire s Literary Giants Their Lives Works Influences and Inspirations has been designed by a retired teacher of English as a general overall guide and reference for use by highschool teachers college and university professors students and Bront enthusiasts The functional layout of the book in three parts allows readers and researchers to obtain a quick thumbnail sketch of the lives of each of the Bront s each of their seven major adult works and the various influence and inspirations which affected their short tragic lives and led them into careers in writing Each chapter in each section has been designed so that the brief

background sketches of their lives and works can be read as an entity in itself and from there readers can choose which area they would like to pursue further through additional studies and research The amount of research material on the Brontës is overwhelming and it was the author's intention to briefly sort out various areas of potential interest for those just being introduced to this great family of English writers
