The Global Age Jayshree Pandya, 2012-02-29 Dr Jayshree Pandya, founder of Risk Group LLC (<http://www.riskgroupllc.com>), is ahead of the curve in addressing the changing global fundamentals of the emerging Global Age. Global Age and its changing global fundamentals has brought complex, chaotic, and turbulent times for every nation, where failures at all levels have come to become self-evident, repetitive, destructive, and potentially hopeless in nature and uncertainty. Nations are caught off guard. From what is visible across nations today, the promise of progress and prosperity for all nations does not seem to have materialized in a Global Age. Instead of progress and prosperity, what is visible today is crisis and catastrophe that is overpowering and overwhelming the capability of most nations to meet their promise of progress and prosperity. Nations are in crisis. This introductory book, *Global Age: NGIOA Risk*, addresses the global shifts and the changing global fundamentals of Global Age to lay out much-needed foundation of an integrated NGIOA risk governance framework for the coming tomorrow. This book will make a convincing case for the far-reaching need and understanding of global risk concepts, global risk fundamentals, and risk-centric integrated NGIOA governance. The integrated NGIOA risk governance approach proposed and discussed in this initiative is rational, practical, and feasible. It will help create a dynamic, vibrant, and sustainable NGIOA economy of a Global Age. This initiative is a first step towards that.
