CRAWFORD STANDARD BIBLE DR. PAUL CRAWFORD, 2025-09-01 Welcome to the Crawford Standard Bible, a modern English translation meticulously crafted to bridge the historical reverence of the King James Version with the clarity and accessibility demanded by contemporary readers. Our Vision: The King James Version (KJV), a masterpiece of English literature, has profoundly shaped the spiritual landscape for centuries. Its poetic language and enduring influence are undeniable. However, as language evolves, certain archaic words, grammatical structures, and idioms can pose significant barriers to understanding for a modern audience. The Crawford Standard Bible seeks to honor the KJV's legacy by preserving its inherent beauty and theological faithfulness while rendering its profound truths in language that resonates with today's reader. A Faithful and Accessible Translation. This translation is not a paraphrase nor is it a reinterpretation of the biblical text. Our primary aim has been to provide a faithful and accurate rendition of the original Hebrew, Aramaic, and Greek manuscripts, informed by the interpretive tradition embodied by the KJV. We have meticulously re-examined every verse, striving to convey the precise meaning of the original while employing modern vocabulary and sentence structures.
