Heart Attack Can Save Your Life:

Raw Juices Can Save Your Life: An A-Z Guide Sandra Cabot MD, The A Z Guide to juicing and natural therapies which contains carefully designed juices by Sandra Cabot MD and Audrey Tea Often in this technological age where computers diagnose diseases and perform surgery we tend to minimize natural therapies It seems incredulous that the simple act of drinking raw juices could turn around severe diseases however I have seen it work in otherwise hopeless cases In this book you will learn that juices are easily digested and absorbed and are superb for those with a poor appetite nausea digestive problems and an inflamed stomach or intestines It is so much easier to drink a juice than chew your way through large amounts of fibrous raw vegetables especially if you are feeling fatigued and disinterested in food Modern day medicine is focused on treating the symptoms of disease with suppressive drugs Sometimes this is necessary when a disease is very aggressive and acute in onset however raw juice therapy is something that should always be used even in conjunction with drug use I have seen many of my patients recover from chronic disease after they started juicing and this has been after they have tried many other things People of all ages can benefit from juicing especially the very young and old or those with serious disease such as cancer immune dysfunction and liver problems
