## Heart Of A Girl:

Sex, Purity, and the Longings of a Girl's Heart Kristen Clark, Bethany Beal, 2019-04-30 For the modern Christian woman living in today's sexually charged society embracing God's design for sex and purity can often feel like an impossible pursuit. As the culture seeks to normalize things such as pornography, erotica, and casual sex, both single and married women of all ages feel immense pressure to conform. With alluring temptations constantly inviting them to join in, they might even begin to question whether God's design is truly good. They wrestle with questions like: What is the purpose of my sexuality? What does it mean to pursue purity? Are my sexual longings good or bad? In this encouraging book, Kristen Clark and Bethany Beal share honestly about their own struggles and victories and invite women on a personal journey to discover and reclaim a biblical vision for their sexuality. Kristen and Bethany help women understand why God's design for sexuality is good, relevant, and leads to true hope and lasting freedom.

Misconstrued good intentions good motives wrong outcomes wrong results but she survived This book goes through a series of lifelong lessons lessons that people go through in an entire lifetime The author here goes through this in a short space as she herself is only in her early thirties It takes a longer time for an average individual to go through life s lessons However with this book it s taking you through some of life s realities through a young girl s heart We emphasize this as so many young girls are critiqued for dating someone who isn t available So many young girls are used by men and they are not in a position to represent themselves to respect themselves or to stand up for themselves The author herself had to be strong to withstand harsh critiques as well as overcome some very embarrassing public displays from humble roots to success in a small country from falling to rising through some of life s hardest battles She s always a prowomen person who believes that women are the stronger of the two sexes She is not being biased but always being prowomen She somehow ended up being public enemy number 1 to most women This shows how to deal with a public breakdown in the midst of the fiery storm and how to walk away when it isn t what you want to do When the bonds you ve made hold you back stronger and the strength you have to muster up is not enough let go and give it to God Let him work his way and work out situations for you
